### Important Notes and Reminders:

**This week's PBIS focus is Building a Positive School Community.**

SnoFest gives us great opportunities to do that—through dress-up days, activities, dodgeball, and door decorating. Show your school spirit, include others, and support one another as we make this a fun and positive week for everyone!

Congratulations to the 2026 SnoFest Royalty:

Prince Tucker Parpart  
Princess Cora Bebo,  
King Cory Schauer  
Queen Annie Eastling

### **Monday**

SnoFest week is finally here,  
Dress-up days, laughter, and school spirit are near.  
Between the chaos, fun, and cheer,  
One small prize is hiding somewhere here.  
Keep your eyes open, think, and roam,  
The medallion won't find itself home.

You pass me daily without a thought,  
A quiet witness to years gone by.  
Time stands still for moments gone,  
While nearby, echoes once rang clear.  
During SnoFest, eyes are forward—not behind,  
And what you seek is easy to overlook.

### **Wednesday**

Where pride is kept and memories stay,  
Past victories quietly line the way.  
Not all honors sit at eye-level clear,  
Some ask you to look beyond what's near.  
History lingers, old but alive—  
The answer waits where achievements rise.
