### Important Notes and Reminders:

#### Tuesday's mental health awareness focus:

Practicing self-care matters.

- Self-care is about finding practices that help you support your mental health, even under challenging circumstances.
- Self-care doesn't have to be time consuming or expensive and can help maintain or improve your daily mental wellbeing.
- Add your ideas for taking care of yourself to our "SELF CARE WALL", or check out ideas to try that others have shared. Choose a positive affirmation sticker to remind you that you matter and you are loved!

Congratulations to Mrs. Helland and the band students and also Mrs. Biondo and the art students for an enjoyable concert and art display last evening.

There will be a student council meeting on Thursday, May 14th at 7:30 in room 120.
