Important Notes and Reminders:

Wednesday's mental health awareness focus:

Reaching out matters, seek help when you need it.

- When your mental health is off, it is important to find the help that is right for you.
- Support is available no matter where you are or what you are dealing with.
- Asking for help shows strength not weakness, and reaching out to safe adults can help you get the support you need.
- Stop by the table today to say Hi and have a chance to win a prize! And take the opportunity to check on a friend or classmate today, feeling connected and knowing that others care is important to our mental health!

There will be a student council meeting on Thursday, May 14th at 7:30 in room 120.
