### Important Notes and Reminders:

#### Thursday's mental health awareness focus:

Community support for mental health matters.

- It's important to make mental health an ongoing priority in our lives, schools, and communities.
- Advocacy for mental health and wellbeing can help others feel more comfortable talking about mental health, seeking help, and making sure that people get the support that they need.
- Today we will be focusing on gratitude~ noticing and being thankful for the good around us. A kind gesture, a fun activity, or a supportive person can make our day better.
- You will have a chance to write a thank you note to someone who has made a difference in your life. Expressing gratitude can lift our mood and strengthen our mental health, and sharing your note with them will brighten their day too!

Thank you for participating in mental health awareness month! Remember, **YOU MATTER!** And **mental health matters** today, tomorrow, and every day after that!

The next Youth Task Force Social will be held on Wednesday, May 20<sup>th</sup> at St. Paul's Church. Cheesecake and dessert cups with toppings will be served.

The 3rd annual Bulldog Olympics will be held on Friday May 22nd for grades 7-11. If there are any parents that would like to volunteer (help run a station, help in the concession stand etc) please contact Terri Helland.
