COACHES NOMINATING THOUGHTS:

The Girls Golf program is proud to recognize Gabby Neilitz as our WVC Spotlight Athlete of the Week. Gabby is a senior on our team and has been so helpful in her co-captain role this season. She is a fierce competitor when on the course and has scored 51.5 points in our conference matches awarding her with the recognition of being on 2nd Team All Conference. Gabby is dedicated to her sport and works hard with extra time on the range as well as on the course to better herself. She is also a great leader in helping others on the team watching their swings and offering suggestions for improvement in their skills as well. We are proud of her accomplishments this season and are glad to have her as a part of our team.
