WHAT IS YOUR FAVORITE HIGH SCHOOL SPORTS MEMORY:
Either Mr. SPASH, or when I get to get ready before games in Mrs. Pohlkamp's room with my team.

WHAT TWO CHARACTERISTICS MAKE YOU A GOOD TEAMMATE OR LEADER: When learning new things, I try to listen so I can catch on quickly, and I always try to have a good attitude.

COLLEGE OR POST HIGH SCHOOL PLANS: Probably go to UWSP since it's close, but I honestly do not know what I want to be.

WHAT IS YOUR FAVORITE QUOTE: Try to be the change you want to see around you.

BEST ADVICE YOU WERE GIVEN AS AN INCOMING FRESHMAN: Do not procrastinate.

COACHES NOMINATING THOUGHTS: As Sydney's Cheerleading Coach, I view her as the strong and highly respected leader of my team. She is someone that I can rely on daily to exceed expectations set before her. Syd is currently a sophomore, but I saw her take on this leadership role during her freshman season and continue to thrive, grow and lead throughout this season.

Sydney is a great student in the classroom, an incredibly strong athlete and an even better human being. She is everything and more that a coach could hope for out of a student athlete. She is kind, hardworking, a team player, supportive, determined, respectful, selfless, and so much more.

Unlike other many other sports, I can't provide stats for Syd that show her high achievements and greatness, but if you ever have the opportunity to meet her or watch her perform, it will be clear as to why she is well deserving of this recognition. She has been an honor to coach and I am incredibly thankful to have her back for two more years.
