**COACHES NOMINATING THOUGHTS: She has taken several AA and event wins for the Tigers already this season including the AA at our first GNC dual as well as 2nd AA of 8 teams attending the Charlie Martin Invite early January. She is a hard-working athlete striving to up her difficulty to contribute for the Tigers this year as a leader in the post season action. Her AA score notched last week is the top AA score in last two seasons for the Tigers!**
