

## DPS Athletics Parent Transportation Consent Form

Durham Public Schools understands that all parents want their student-athlete to compete and thrive in the safest environment possible. To establish this, we want to provide every opportunity for student-athletes to arrive and depart athletic events safely and efficiently. It is the practice of Durham Public Schools and its Athletic Department, no student-athlete may transport themselves, or anyone else, to an off campus athletic contest or practice (see athletic director for practice exclusions) while the school district is providing transportation.

Student athletes may be provided private transportation to and from an athletic event provided that their parent/guardian will be responsible for transporting them. The student-athlete(s) is prohibited from being transported to an athletic event by anyone other than their school personnel and/or their parent/guardian. In the event a student-athlete transports themselves, and/or others, to an off campus athletic contest or practice (not previously approved by athletic director) in violation of the above policy, the driver and any passengers who are members of the team will be ineligible to participate.

NAME OF TEACHER/SUPERVISOR COACH \_\_\_\_\_

SCHOOL \_\_\_\_\_

NAME OF STUDENT \_\_\_\_\_

***I have read the above statements regarding Durham Public School System policy for transporting student-athletes to athletic events. I also understand that I, or the owner of the vehicle being driven by me to this event, may be responsible for injuries that occur to the individuals being transported. In the event that I am using a privately owned vehicle for transportation to this event, I certify that I have a current operator's license that has not been suspended or revoked for any reason, which authorizes me to drive the vehicle being used in the state of North Carolina and that I have not been charged or convicted of any motor vehicle violations, other than minor traffic violations, within the past 5 years.***
