

INTERNATIONAL EXCHANGE STUDENT FORM: LEAVING U.S.

_____ will be an international exchange student for the _____ school year. Participation in the international exchange program is for cultural/educational (non-athletic) reasons. When I return, I understand I will be eligible only at the school I attended prior to leaving. I further understand that eligibility will not be extended beyond the four consecutive year period provided for in Article 18.15. I also understand that, prior to leaving, I must discuss my plans and how my eligibility may be affected with the athletic administrator at my school.

This agreement shall be signed and dated by the high school principal, the high school counselor, high school athletic director, the student/athlete, and their parents. By signing this agreement, the student and family agree to all terms of the agreement and understand they must adhere to the agreed academic plan for the school year or be subject to WIAA regulations 28.4.1 which states in part. "...(if) it is determined that the participant/parent/guardian provided the school with false information which caused the school to declare the participant eligible...the participant will be declared ineligible for interscholastic competition for a period of one year."

GUIDELINES FOR ESTABLISHING ELIGIBILITY AS AN EXCHANGE STUDENT:

- ◆ International/cultural exchange student must meet the same academic athletic eligibility requirement as all other students participating at that school.
- ◆ After entering or being eligible to enter the ninth grade, a student shall have four consecutive years of interscholastic eligibility.
- ◆ In no case will eligibility be extended beyond the four consecutive years. WIAA 18.14.3. states: "There can be no evidence that either the student transferred for the purpose of participating in interscholastic athletics or transferred as a result of having been recruited for the purpose of participating in interscholastic athletics."
- ◆ An international/cultural exchange student coming to this country for a one year is eligible at the varsity level for one year only in the school in which he/she has been placed, provided all other rules of eligibility have been met and the student has not graduated from the high school equivalent in their home country.
- ◆ An international/cultural exchange student who represents a school in an interscholastic sport must be an amateur in that sport. An amateur student-athlete is one who engages in athletics for the physical, mental, social and educational benefits, and to whom athletics is an avocation and not a source of financial reward.
