

WOA Membership Fee – Winter (2024-25)

Tier System: Number represents the number of teams. If the number of teams for a specific sport has changed or the number is incorrect, please contact WOA to adjust.

WOA will invoice for a change in tier, as well as any services not covered by the membership fee at the conclusion of the season.

The tiered system was developed by reviewing last year’s data. By adopting a tiered system, schools are charged for the number of teams rather than by classification. This will help alleviate some of the credits that occurred, as well as addressing the schools that have 3-4 teams per sport. The tiered sports fees will be monitored as we fine tune the process.
