## WIAA Transfer Tracker Playbook

### Getting Started

If you're a FinalForms customer, your parents will note if they are transferring from another school when they fill out the registration forms at the beginning of the season. The information provided in the New Student Registration and WIAA Transfer Eligibility Forms will automatically populate into the Transfer Eligibility Worksheet.

If you're not a FinalForms customer, you must manually enter the student by following the steps below. We promise it'll be easier than ever before!

1. Login
2. Click **MANAGE > STUDENTS**
3. Click 
4. Work with the Student's Parents to complete the New Student information. Be sure to include **Transferring From** and **Sport History** information in the yellow box.

### Accessing the Worksheet

1. Return to the **MANAGE > STUDENTS** page and find the transferring student. Click  to the left of the student's name to access the WIAA Student Transfer Eligibility Worksheet.
2. Under **Transfer Athletic Eligibility Status** click 
3. Follow the steps on the WIAA Student Transfer Eligibility Assessment Page

### STEP 1 - Confirm Sending School

1. Confirm the information for the student's previous school and Athletic Director is correct. The email address placed here will be utilized to provide the sending school AD with access to the student's worksheet.

---

## STEP 2 - Verify Transfer Information

1. Complete all questions and provide all relevant information and attachments.

**Note:** If you are a FinalForms customer this information will be filled out by the parent and student and they will be asked to sign off that the information is correct. You can edit this information if needed within the worksheet itself.

## STEP 3 - Initial Determination

1. Review the "Assistance in Applying the WIAA Transfer Eligibility AD Checklist" and select the Determination(s) that you feel best applies to the student.
2. Provide your name as listed under the Signature Box to validate that the information is correct to the best of your knowledge.
3. Click the  button to notify the Sending School AD that they can review and verify the information. There is a pop-up window that shows to verify you want to take this action.

## STEP 4 - Sending School Signature

The Sending School Athletic Director will receive an email notification at the email provided at the beginning of the worksheet. The link in this email will provide them with direct access to the worksheet to review. Once the sheet is accessed, the Sending School AD will:

- Review all of the information.
- Provide comments, questions and disputes in the easy to use comment/chat box.
- Once all information is reviewed, the Sending School Athletic Director provides their name as listed under the Signature Box to validate that the information is correct to the best of their knowledge.

**The sending school confirmation will complete the Transfer process. If required, the receiving school AD can initiate a Hardship Appeal by following the steps.**

## Changing the Status of a Transfer

Use the following steps to change the status of a Transfer Student.

1. Click **Manage > Students**.
2. Click the **Edit button** in the student's row.
3. Scroll to the *Administrator-Only Options* section of the page.
4. Click **Edit Record**.
5. Either check or uncheck the box next to **Transfer In:** to update to the desired status. Fill in any other required fields if necessary.
6. Click **Update Enrollment** to save your changes to the Enrollment History.
