

WOA Membership Fee – Fall (2025-26)

Tier System: The Tier represents the number of teams. If the number of teams for a specific sport has changed from last year, please contact WOA to adjust. The number of contests included in a Tier is 50% of the allowable contests for that sport. Tier 0 was created to address schools that had a team last year, but did not play at least 25% of the allowable contests.

The WOA will invoice for a change in tier, as well as any services not covered by the membership fee at the conclusion of the season. Any credit remaining at the end of the school year will be refunded to the schools in a form of a credit for the next year or a check.
