12. furry
13. twelve
14. pretty
15. air
16. hour
17. from
18. people
19. fourteen
20. speckled

### doubling before a suffix

#### Doubling before adding a suffix

When one vowel is followed by one consonant at the end of a one syllable word, the consonant is doubled before adding a suffix beginning with a vowel.

(Examples: 'run' to 'run/ner', 'stop' to 'stop/ping')

(The extra consonant is used to close first syllable, assuring a short vowel sound. [Example: not 'ru/ner' but 'run/ner'])
