

MEET THE TEACHER

ALL ABOUT ME

I grew up in Wanda, and currently live there with my husband, Caleb and dog, Lacey.

I even went to school in Wabasso, just like you! After I graduated from Wabasso, I attended college at NDSU in Fargo to become a teacher. Once I graduated from college, I taught 1st Grade for 2 years in Windom. I loved teaching 1st grade, but I am so excited to return to Wabasso Public School and teach a new grade! I can't wait to meet you!
