The School District encourages the reporting party or complainant to use the report form available from the principal or each building or available from the School District office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a District Human Rights Officer or to the Superintendent.

A. In Each School Building. The building principal is the person responsible for receiving oral or written reports of religious, racial or sexual harassment or violence at the building level. Any adult School District personnel who receives a report of religious, racial or sexual harassment or violence shall inform the building principal.

Upon receipt of a report, the principal must notify the School District Human Rights Officer immediately, without screening or investigating the report. The principal may request, but may not insist upon, a written complaint. A written statement or the facts alleged will be forwarded as soon as practicable by the principal to the Human Rights Officer. Failure to forward any harassment or violence report or complaint as provided herein will result in disciplinary action against the principal. If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent or the School District Human Rights Officer by the reporting party or complainant.

B. In the District. The School Board hereby designates the principal as the School District Human Rights Officer to receive reports or complaints of religious, racial or sexual harassment or violence. If the complaint involves a Human Rights Officer, the complaint shall be filed directly with the Superintendent.

The School District shall conspicuously post the name of the Human Rights Officer including mailing address and telephone number.

C. Submission or a good faith complaint or report of religious, racial or sexual harassment or violence will not affect the complainant or reporter's future employment, grades or work assignments.

D. Use of formal reporting forms is not mandatory.

E. The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the School District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

IV. INVESTIGATION

By authority of the School District, the Human Rights Officer, upon receipt of a report of complaint alleging religious, racial or sexual harassment or violence, shall immediately undertake or authorize an investigation. The investigation may be conducted by School District officials or by a third party designated by the School District.

The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator. In determining whether alleged conduct constitutes a violation of this policy the School District should consider the surrounding circumstances, the nature of the behavior, past incidents or part or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

In addition, the School district may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators, or other school personnel pending completion of an investigation of alleged religious, racial or sexual harassment/violence.

The investigation will be completed as soon as practicable. The School District Human Rights Officer shall make a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, the report may be filed directly with the School Board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

V. SCHOOL DISTRICT ACTION

A. Upon receipt of a report, the School District will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge. School District action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law and School District policies.

B. The result of the School District's investigation of each complaint filed under these procedures will be reported in writing to the complaining by the School District in accordance with state and federal law regarding data or records privacy.

VI. REPRISAL

The School District will discipline or take appropriate action against any pupil, teacher, administrator or other school personnel who retaliates against any person who reports alleged religious, racial or sexual harassment or violence or any person who testified, assists or participates in an investigation, or who testifies, assists or participates in a proceeding or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

VII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, initiating civil action or seeking redress under state criminal statutes, and/or federal law.

VIII. HARASSMENT OR VIOLENCE AS ABUSE

Under certain circumstances, alleged harassment or violence may also be possible abuse under Minnesota law. If so, the duties or mandatory reporting under Minn. Stat. 626.556 may be applicable. Nothing in this policy will prohibit the School District from taking immediate action to protect victims of alleged harassment, violence or abuse.

IX. DISSEMINATION OF POLICY AND TRAINING.
