NEW POTTER BOOK

by Hermione Granger

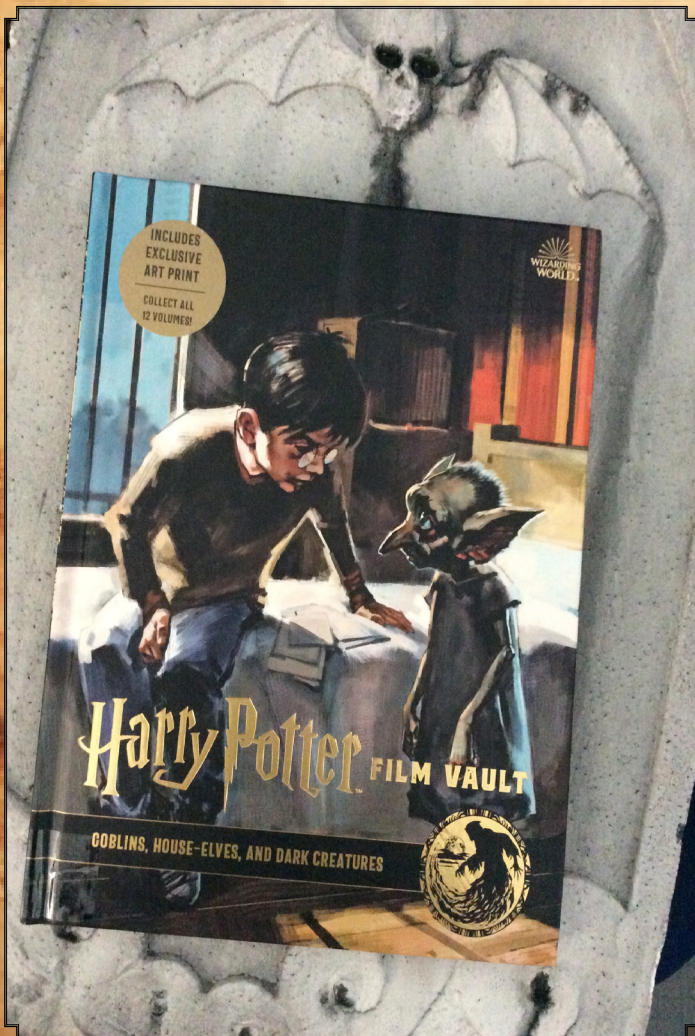

The newest Harry Potter-themed book in the KMMS Library is #9 in the *Harry Potter Film Vault Series: Goblins, House Elves and Dark Creatures*.

In this fascinating book you can discover the filmmaking secrets of goblins, hardworking house-elves, Dementors, and more!

The Harry Potter films are packed with creatures both enchanting and fearsome. With detailed profiles of each, that include concept art and behind-the-scenes photography, this book gives Harry Potter fans an in-depth look at Dark creatures, such as the Basilisk, as well as house-elves and other working creatures. Put together from the Warner Bros. archive, each volume in the Film Vault series gives fans cool insights about bringing the Wizarding World to the big screen.

WORLD!

In December of 2019, just before the Coronavirus really took hold, my family and I crossed a major milestone off of our bucket-list by visiting *The Wizarding World of Harry Potter* at the Universal theme parks in Orlando, Florida. I've shared a few photographs I took on this page and the next for you to get an idea of what it looks like. Even though you don't see any people in the pictures, don't be fooled - it was *packed* - you couldn't do anything without waiting in line! We took the Hogwarts Express to both parks (Diagon Alley and Hogsmead) and went on every ride at least once. We also had Butterbeers and lunch at The Three Broomsticks, had our wands selected at Ollivanders, and ate Chocolate Frogs at Honeydukes. The best part of the adventure was *Hagrid's Magical Creatures Motorbike Adventure* ride, as it was easily the best ride any of us had ever been on in our lives. The worst part was also *Hagrid's Magical Creatures Motorbike Adventure*, as we had to wait in line for *four hours* to get on! Seems crazy now to think we waited that long, but it was SO worth it! We hope to go back someday once the Corona is over!

Stay tuned for next month's newsletter coming by Owl Post to KMMS, where we'll chat about what's new in the world of Harry Potter, have a discussion on the stage play *Harry Potter and the Cursed Child*, and find out from our Hogwarts Librarians about magical new additions to the Kasson-Mantorville Middle School Media Center!

Until then, I'll leave you with a quote from Harry's best friend - no, not Hermione, although it *sounds* like something she'd say!

“When in doubt, go to the library!”
