*Truth in Taxation Presentation
For Taxes Payable in 2022
December 6, 2021*

Tax Hearing Presentation

- State law requires that we present information on the current year budget and actual revenue and expenses for the prior year
- State law also requires that we present information on the proposed property tax levy, including:
 - The percentage increase over the prior year
 - Specific purposes and reasons for which taxes are being increased or decreased

State Legislature and Governor's Administration

- Establish overall tax policy for the state
- Sole Authority to create levy options for school districts
- Controls school levy parameters including the amount of state aid and tax bases used for levies

School Boards

- Participate in state education programs for district's children, financed entirely by levies or combination of levy and state aid
- Ask voters to approve referendums for general operations and major capital projects
- Can only decrease the levy from the parameters set by the legislature without an election after September 30

Overview of Proposed Levy Payable in 2022

- Total levy decreased 3.66%, \$407,581.96
- This is primarily due to a 4.25% decrease in enrollment the district experienced in 2020-21. We are not expecting enrollment to rebound to pre-COVID levels.
