

Red Wing Public Schools
Facility Use Fee Schedule
Effective June 1, 2018
(All fees subject to change)

Community Education will determine and arrange for staffing as required. Staffing costs are the responsibility of the user and are estimated on the rental permit. All district employees must be paid through the district payroll process.

All rates are hourly fees unless noted otherwise. Necessary custodial, grounds, kitchen and technology help is not included in these fees. A \$20 non-refundable processing fee is charged for each permit and a \$5 charge may be assessed for each change made to the permit (excluding weather related changes).
