WHAT IS AIM TO ACHIEVE?

Aim to Achieve promotes lifelong learning and community involvement for adults with developmental, sensory, cognitive and physical disabilities by providing classes focusing on educational, recreational and social opportunities and adapted to individual abilities.

A NOTE FROM THE COORDINATOR

Spring is here and the Aim to Achieve program is back in session! We have some great classes to look forward to, some new and some old favorites.

Bingo and Bowling will be offered once a month for those feeling lucky. We will also be cooking up fun food-themed celebrations! Sweet and savory pies as a nod to Pi Day and a delicious but easy brunch. We will also get outside for a Red Wing Aces game and for a walk along the Cannon Valley Trail.

Make sure to mark your calendar for the Leprechaun Jig (Mar. 27) and the Under the Sea Prom (Apr. 24).

However, this year the fun won't stop when spring comes to an end! We will be holding one event each month over the summer to help make the wait for fall programming just a little easier.

Whatever Aim to Achieve classes you choose to join us for this session, we hope that you have fun, discover something new, and connect with others.
