Re: Pesticide Herbicide Control Schedule Notice

Per the "Parents Right to Know Act" that took effect on September 15, 2000, we are required to post a schedule for anyone who might want to know when an application will be performed. This schedule also is stored for a period of 6 years.

Pest Control Schedule

- Third week of each month (15-21)
- Fall holiday (Thanksgiving weekend)
- Winter break
- Good Friday
- Memorial Day
- Exterior treatment to control beetles, bees, box elder bugs and other pests will be on an "as-needed" basis and will be applied during non-school hours.

Herbicide Schedule

- April 25, 2025 – All district buildings and fields will be sprayed for weeds and fertilized. Secondary date of May 2nd if conditions are not met on primary date.
- June 13, 2025 - All district buildings and fields will be sprayed for weeds and fertilized. Secondary date of June 20th if conditions are not met on primary date.
- August 15, 2025 - All district buildings and fields will be sprayed for weeds and fertilized. Secondary date of August 22nd if conditions are not met on primary date.
- October 3, 2025 - All district buildings and fields will be sprayed for weeds and fertilized. Secondary date of October 10th if conditions are not met on primary date.

Herbicides will also be applied on an "as-needed" basis.
