## What is ECFE?

ECFE classes are designed for all families with children ages birth to kindergarten enrollment. These classes offer a variety of learning opportunities for parents and their children. The Early Childhood Family Education classes offer play and learning activities appropriate for the age of the child, parent-child activities, and parent discussion groups.

ECFE recognizes that families are children's first and most significant teachers and that families provide children's first important learning environment. ECFE also helps children grow and develop, enriches family life, and provides information and support for your important role as a parent.

### Special Points of Interest:

The number of sessions and children allowed vary with classes—check each class to see how many sessions there are and the limit of children allowed in each class. **If there are more registrations than spaces available, a lottery system will be used to determine class participants.**

Sibling care is available during the Incredible Infants class.

Infants age 6 months and younger may accompany parents in all other classes.

South Country Health Alliance members are eligible to participate in ECFE classes at no charge. Special Events and Play Days are **NOT** covered by South Country.

No Red Wing resident will be denied participation in ECFE due to inability to pay. Participants may request a fee waiver. Payment and fee waiver information is confidential.

**Health Information Forms: Minnesota law requires that schools maintain immunization records for all children attending classes (including ECFE classes). Please provide copies of current immunization records before classes begin.**

Find Red Wing ECFE on Facebook and Instagram!

“Children are not a distraction from the important work. They are the most important work.”
