What is Aim to Achieve?

Aim to Achieve promotes lifelong learning and community involvement for adults with developmental, sensory, cognitive and physical disabilities by providing classes focusing on educational, recreational, and social opportunities adapted to individual abilities.

A note from the Coordinator

Fall is here, and all of us at AIM are so excited to see you! Randii from SawRise is back to help you create a festive pumpkin and tree out of wood. Then we will really kick off the season with a special treat—a Trolley Ride! Plus, we're bringing back a fan-favorite: The Game Show with your favorite host, Jack Potts!

No matter which class you join, we know you'll have a great time. Don't forget to start planning those Halloween costumes and festive sweaters for the dances—we can't wait to see what you come up with!
