Attendance Schedules and Attendance

School Year and Summer Attendance: Families are required to designate their child's schedule each month. Scheduling does not need to be the same every week. Kids Junction families will be charged "drop-in fees" for dates their children attend if an "Attendance Schedule" was not turned in and staff was not notified of attendance dates in advance.

Changes/Additions to Attendance Schedule: Changes or removing of a day should be made on a "Change & Additions" form. These forms are available at the front desk. If a form is not filled out, parents will be charged their scheduled amount. Additions should also be made on a "Change & Additions" form. Days may be added with no additional charge with advance notice. Calling in or filling out a "Change & Additions" form to add childcare for the same day will be accepted, but will be billed at a drop-in rate.

Communicate Absences: Inform the site when your child will not be attending when they are scheduled to. Don't rely on the school office/child's teacher to relay information. Failure to communicate with Kids Junction will result in a "No Call No Show" and you will be charged regular rates for that day, along with a \$5 finders fee.

Absences: An absence will be counted for days that families "call-in" the day their child is scheduled to attend to notify Kids Junction that their child will not be attending (out sick, schedule change the day of). If families notify Kids Junction prior to the scheduled day, it will be considered a schedule change and not an absence. Each child is allowed 3 absences in the summer at no charge. After a student has used their allotted absences, they will be billed according to the regular daily fee.

Drop-in Care: Limited drop-in care will be available and will be charged at the drop-in rate. Drop-in rates will apply to families that have not turned in a monthly calendar, add a morning/afternoon the same day the child will be attending, and on days that are not indicated on monthly calendar or expressed on a change/addition forms.

Withdrawal: Parents planning to withdraw from the program are asked to give a two week notice. This allows staff time to notify other families of the opening. Any fees for special events such as field trips or swimming are non-refundable.
