Welcome to another exciting school year at **Twin Bluff Middle School**! Whether you are returning or joining us for the first time, we are thrilled to have you as part of the **TBMS family**. We're looking forward to a year filled with growth, connection, and learning.

At TBMS, we believe strong relationships are the foundation for student success. Our dedicated staff is committed to creating a welcoming and supportive environment where every student is challenged to reach their full potential—academically, socially, and emotionally.

This year, we will continue building on our **Positive Behavior Interventions and Supports (PBIS)** framework. This approach helps guide students in understanding and living out our shared expectations, creating a safe and respectful environment for everyone. Through PBIS, students learn positive ways to engage with peers, staff, and the world around them.

Our core values—**Be Safe, Be Kind, Be Responsible**—are at the heart of everything we do. We encourage you to review these expectations with your child. When school and families work together, our students thrive!

We're kicking off the year with a **Welcome Back Open House** for **Grades 5, 6, and 7** on **Thursday, August 27th**, from **12:00 PM to 7:00 PM**. This is a great opportunity to meet teachers, explore classrooms, try out locker combinations, drop off school supplies, and get familiar with the school. We hope you'll join us to help start the year off on a positive note!

The **first day of school** is **Tuesday, September 1st**, and we can't wait to see all our students back on campus. Here are a few reminders:

- School doors open at **8:35 AM (8:30 am if going to breakfast in the cafeteria)**
- Classes run from **8:45 AM to 3:40 PM**
- Parent drop-off: **8:35–8:45 AM**
- Parent pick-up: **3:40–3:50 PM**

Please keep student safety in mind during drop-off and pick-up times—your cooperation helps make our school a safe place for everyone. For more details, please refer to **Pages 20-21** of this document.

Twin Bluff is a busy, energetic, and welcoming place—full of Winger Pride—and we're so glad you're part of it. On behalf of the entire **TBMS TEAM**, thank you for partnering with us in making this a fantastic school year.

Welcome back! Now let's make 2026–27 an amazing school year!

Sincerely,

Patrick Beierman, Principal

¡Bienvenidos a otro emocionante año escolar en la **Escuela Secundaria Twin Bluff**!

Ya sea que regresen o se unan a nosotros por primera vez, nos emociona mucho tenerlos como parte de la **familia TBMS**. Esperamos con ansias un año lleno de crecimiento, conexión y aprendizaje.

En TBMS, creemos que las relaciones sólidas son la base del éxito de los estudiantes. Nuestro personal dedicado está comprometido a crear un ambiente acogedor y de apoyo donde cada estudiante sea desafiado a alcanzar su máximo potencial —académica, social y emocionalmente—.

Este año, continuaremos desarrollando nuestro marco de **Intervenciones y Apoyos para el Comportamiento Positivo (PBIS)**. Este enfoque ayuda a guiar a los alumnos para que comprendan y pongan en práctica nuestras expectativas compartidas, creando un ambiente seguro y respetuoso para todos. A través del PBIS, los alumnos aprenden formas positivas de relacionarse con sus compañeros, el personal y el mundo que los rodea.

Nuestros valores fundamentales —**Mantén-te seguro, Sé amable, Sé responsable**— son la base de todo lo que hacemos. Los invitamos a repasar estas expectativas con su hijo o hija. ¡Cuando la escuela y las familias trabajan juntas, nuestros estudiantes prosperan!

Comenzamos el año con una **jornada de puertas abiertas de bienvenida para los grados 5, 6 y 7 el jueves 27 de agosto, de 12:00 p. m. a 7:00 p. m.** Esta es una excelente oportunidad para conocer a los maestros, recorrer las aulas, probar las combinaciones de los casilleros, entregar los útiles escolares y familiarizarse con la escuela. ¡Esperamos que nos acompañen para ayudar a comenzar el año con buen pie!

El **primer día de clases es el martes 1 de septiembre**, y estamos ansiosos por ver a todos nuestros alumnos de vuelta en el campus. Aquí les dejamos algunos recordatorios:

- Las puertas de la escuela se abren a **las 8:35 am (a las 8:30 am si van a**

desayunar en la cafetería)

- Las clases son de **las 8:45 am a las 3:40 pm.**
- Llegada de los alumnos: **8:35–8:45 am**
- Hora de recogida por parte de los padres: **de 3:40 a 3:50 pm**

Por favor, tengan en cuenta la seguridad de los alumnos durante los horarios de entrega y recogida; su cooperación ayuda a que nuestra escuela sea un lugar seguro para todos. Para más detalles, consulten **las páginas 21 y 22** de este documento.

Twin Bluff es un lugar animado, lleno de energía y acogedor —rebotante del orgullo Winger— y nos alegra mucho que formes parte de él. En nombre de todo el **EQUIPO de TBMS**, gracias por colaborar con nosotros para hacer de este un año escolar fantástico.

¡Bienvenidos de nuevo! ¡Ahora hagamos del 2026–27 un año escolar increíble!

Attendance

Attendance is vitally important for your child's success as a student. You can call in an absence to the TBMS Attendance Line at 651-385-4550 or email at tbmsattendance@rwps.org. Please leave a message with your child's name, grade, and the reason for the absence. If your child's absence has not been reported, we will contact parents/guardians to confirm the reason for the absence.

Attendance is vitally important for each student's education, and it is the law in Minnesota that all students are REQUIRED to attend all assigned classes every day school is in session (SS 120A.22) unless there is a valid excuse for the absence.

Student's Responsibility:

- It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class. Finally, it is the student's responsibility to request any missed assignments due to an absence.

Parent or Guardian's Responsibility:

- It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student's absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.
- If a student is sent home ill by the school nurse, the student is allowed to return the next day or after being fever/symptom-free for 24 hours. If a student goes home ill, they are not allowed to participate in sports or activities for that day.
- Therapy Services during the school day
 - If your student has an online therapy session during the school day, please reach out to the office to ensure there is a space available. Private space is available, but it is limited and requires staff to coordinate meeting times. Parents are not allowed into the school to attend therapy sessions. If parents need to be present for a session, we ask that the student be taken out of school for the appointment.

Excused Absence vs. Unexcused Absences:

- **Excused:** To be considered an excused absence, the student's parent or legal guardian must call the school or verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.
 - Consequences of Excused Absences:
 - Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
 - When a student misses one class period, the work will be due the next time the class meets. With an absence of more than one class period, the student will have the number of days missed plus one day to make up the work upon returning to school.
 - Once a student reaches 7 excused absences, a letter will be sent home to inform parents that a doctor's note will be needed after 10 absences.
 - After 10 excused absences, families will be contacted to try to solve the ongoing attendance issue. A plan will be made, and an attendance contract may be developed and agreed upon.
- **Unexcused:** Unexcused absences are when a parent does not call the school to inform the school of the reason for the absence. An absence is also considered unexcused when a parent does not have a

valid reason for keeping their student home.

- Consequences of Unexcused Absences:

- Students can have up to 10 parent/guardian excused absences prior to the school asking for a doctor's note for future absences. If a doctor's note is not provided after 10 absences, administration is required to make a report to Goodhue County Family Services to request additional support for the family.
- Excessive absences are called Truancy. If a student is found to be truant, the administration may request the county attorney to file a petition with the juvenile court under Minnesota statutes for truancy.

Homework Requests & Make-up Work

If a student is absent for a single day, the student may obtain any make-up work from the teacher upon returning to school. If a student will be absent for multiple days, homework may be requested by emailing the teacher directly. Please provide appropriate time for the homework to be compiled by the teachers. It is best to reach out to the teacher(s) as soon as the extended absence is known.

Backpack/Handbags

Because of space and safety concerns, students are not allowed to carry backpacks during the school day. Students may use a backpack to transport books and belongings to and from school. Backpacks will remain in lockers between 8:45 a.m. and 3:40 p.m. (beginning and end of the school day). Backpacks found in the hallways will be brought to the lost and found. Exceptions to this policy may be granted to students with special circumstances.

Birthdays, Gifts, and Invitations

Birthday parties for individual students are not permitted on school grounds. Students are not allowed to bring in treats for their class. This is strictly enforced in all buildings. Thank you for your understanding. Due to a change in state law, individual student contact information is no longer available to the public. This means we can no longer provide addresses for invitation lists.

Bicycles

Students are encouraged to ride their bicycles to school. For student safety, students are expected to walk, not ride, their bicycles on school grounds. Students are asked to provide their own locks.

Busing

Busing is a collaborative effort:

- The **Metropolitan Transportation Network - MTN** handles routing, bus assignments, provides bus service and bus drivers, sets emergency procedures, and enforces behavior expectations, etc. They can be reached at **651-212-6116**.
- The school handles temporary bus changes and collaborates with MTN on behavior concerns and disciplinary actions. Bobbi Seleski, Twin Bluff Assistant Principal, is the best person to contact for behavior concerns. She can be reached at basesleski@rwps.org or 651-385-4542.

The school bus is a component of the school day, and maintaining high behavior expectations for students is important for everyone's safety. Please reinforce with your child how important it is to use appropriate voices, stay seated and safe, and to be kind to all who are around them. Violation of bus rules may result in suspension from the bus. See the [RWPS Student & Parent Handbook](#) for a detailed

description of the bus behavior expectations and consequences.

Calendar

The [2026-27 District Calendar](#) is available on the RWPS website.

Add Twin Bluff Middle School's Google calendar of building events and reminders by visiting the RWPS website

Cell Phones and Other Electronic Devices

Students are prohibited from using personal cell phones and other electronic devices during the instructional day. These devices must be stored in their locker in silent or "off" mode from the student's arrival at school until dismissal at the end of the day. A cell phone or other electronic device used or visible during the instructional day will be confiscated and turned over to the office.

If students need to place an emergency phone call during the day, they should request to go to the main office to use an office phone.

Students may be subject to disciplinary action if their use of their device disrupts the school's educational environment. Examples of this include, but are not limited to: cheating, bullying, harassment, unlawful recording or photographing, and violating other school rules.

The school and its staff are not responsible for any damage to or theft of a student's device. Students are responsible for properly securing and taking care of their devices. If students violate the school's electronic devices policy, the following may occur:

- **First offense:** The student's device will be taken away by a staff member and held in the Student Services Office until the end of the school day. When the student picks up their phone at the end of the day, the student will discuss and review the device policy with a staff member.
- **Second offense:** The student's device will be taken away and held in the Student Services Office until the end of the school day. The student's parents/guardians will be contacted and informed of the refusal to follow the school's electronic devices policy.
- **Third offense:** The student's device will be taken away and held in the Student Services Office until the end of the day. Students may pick up their device after completing an after-school detention.
- **Subsequent offenses:** The student will receive after-school detention with additional reteaching, and parents/guardians will be required to pick up the device from the Main Office at their convenience. If behaviors continue, students may be required to turn devices over to Student Services upon arrival at school and may pick them up during departure.

***The administration reserves the right to adjust these consequences on a case-by-case basis as needed. For example, extreme behaviors that break the law or engage in bullying or harassment of other students may result in greater immediate consequences.*

Chromebooks

All students and parents/guardians will sign an agreement outlining the school district policies for appropriate Chromebook use. This agreement states:

- While at school, students are not allowed to use games and/or social media or non-educational sites without teacher permission, as the Chromebook is to be used as an educational tool.

- Students and families will be expected to be in compliance with all district rules and guidelines while in possession of the school-issued device.
- All devices are monitored by school and district staff. Each student's search history, email, and websites viewed can be seen whether the student is in school or at home. If inappropriate content is found, administrators and counselors will be alerted, and families will be notified.

Conferences

A Back-to-School Open House will be held before the start of the school year. This is a great opportunity for teachers and students to meet before school begins. It also provides students an opportunity to walk their schedule, practice their locker combinations, and relieve some anxiety about entering Middle School.

Parent-teacher conferences are held formally twice per year. Conferences will be held in the fall on November 9th and in the spring on March 1st.

We use an online system called PTC Fast for signing up for conferences. A link is sent to all families approximately 2 weeks before conferences. Please sign up promptly to ensure a time that works best for your family.

Additional conferences with teachers may occur anytime throughout the school year and may be initiated by the home or by the school. Please contact your child's teacher directly if you would like to set up an additional conference.

Appointments with Administration: If parents/guardians would like to request a meeting with administration to address specific concerns, we ask that they make an appointment via email or phone. Administrators are very busy and often not available for quick, last-minute meetings. Please call 651-385-4530 to schedule an appointment.

Deliveries to Students

Please ensure your children arrive at school in possession of everything they need for the day, including homework, lunch, textbooks, musical instruments, sporting equipment, and clothing. If an item **must** be dropped off for a student, please visit the school office, Door #18.

Please do not deliver gifts to school (such as balloons, flowers, stuffed animals, etc.). If sent, students must pick up items from the office at the end of the school day.

Lunches from DoorDash or other delivery services are not allowed. If a parent requests to eat lunch with their child, staff will work to find a location outside of the cafeteria to accommodate the request when possible.

Discipline Code and Consequences

Misbehavior by one student can disrupt the learning process for many other students. In addition, students must learn to practice good safety habits, value academic honesty, respect the rights of others, and obey the law.

The purpose of this policy is to ensure that students are aware of and comply with the school district's expectations for student conduct. Such compliance will enhance the school district's ability to maintain safety and ensure that there is no interference with the educational process. The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

All students shall be held individually responsible for their behavior and for knowing and obeying the Code of Student Conduct. All students have the responsibility:

- For their behavior and for knowing and obeying all school rules, regulations, policies, and procedures;

- To conduct themselves in an appropriate physical or verbal manner; and
- To recognize and respect the rights of others.

Disciplinary Action Options

The general policy of the school district is to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of the school district. At a minimum, violation of school district rules, regulations, policies, or procedures will result in discussion of the violation and a verbal warning. The school district shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by the school district. Disciplinary action may include, but is not limited to, one or more of the following:

- Student conference with teacher, principal, counselor, or other school district personnel, and verbal warning;
- Confiscation by school district personnel and/or by law enforcement of any item, article, object, or thing, prohibited by, or used in the violation of, any school district policy, rule, regulation, procedure, or state or federal law. If confiscated by the school district, the confiscated item, article, object, or thing will be released only to the parent/guardian following the completion of any investigation or disciplinary action instituted or taken related to the violation.
- Parent/guardian contact;
- Parent/guardian conference;
- Removal from class;
- In-school suspension;
- Suspension from extracurricular activities;
- Detention or restriction of privileges;
- Loss of school privileges;

- Referral to police, other law enforcement agencies, or other appropriate authorities;
- A request for a petition to be filed in district court for juvenile delinquency adjudication
- Out-of-school suspension under the Pupil Fair Dismissal Act;

- Exclusion under the Pupil Fair Dismissal Act; and/or
- Other disciplinary action as deemed appropriate by the school district.

Student Dress and Appearance (Policy 504)

Red Wing Public Schools respects student expression through clothing under the First Amendment. Our goal is to ensure dress choices support a safe, respectful learning environment without creating unfair barriers or loss of instructional time. Staff will handle dress policy matters privately and with sensitivity to avoid shaming students.

What is Welcomed & Protected:

- **Weather-Appropriate Clothing:** Standard seasonal attire suited for the regular classroom or physical activities.
- **Headwear:** Hats, caps, hoodies, and head coverings are permitted in the school building, provided they do not obscure a student's face or create a major classroom disruption.

General Community Standards:

- **Body Coverage:** All clothing must fully cover private areas and the torso. Undergarments should not be visible during regular movement.
- **Safe Footwear:** Shoes must be worn at all times and must not present a safety or property hazard.

Prohibited Dress Elements:

Clothing, jewelry, or accessories are not permitted if they include:

- **Illegal Substance Promotion:** Images or text advertising products minors cannot legally buy, such as alcohol, tobacco, or drugs.
- **Hate Speech & Harassment:** Messages that denigrate, harass, or discriminate against individuals based on protected class status under the Minnesota Human Rights Act. This includes racist, sexist, or gang-affiliated imagery (e.g., swastikas, Confederate flags).
- **Obscenity:** Text or imagery that is lewd, vulgar, profane, libelous, or sexually explicit.
- **Safety Violations:** Items that pose an immediate physical threat to individuals or school property.

Enforcement Protocol: If an administrator determines a student's clothing creates a major disruption or safety risk, the student will be asked to make modifications privately. Parents or guardians will be notified if a student needs to change or be sent home for the day.

Electronic Information Resources

All School District students have conditional access to the School District's computer system, including Internet access, for limited educational purposes, including use of the system for classroom activities, educational research, and professional and career development. Use of the School District's system is a privilege, not a right. Students are expected to understand and agree to abide by the policy as a condition of use of the School District's computer system. See [Policy 524](#) for detailed information.

Fundraising

All fundraising activities conducted by student and/or parent groups sponsored by the School District must be approved in advance by the building principal and Business Manager. Students may not solicit students or employees about non-school-related fundraisers during the school day.

Harassment and Violence Prohibition

The policy of the School District is to maintain an educational, learning, and working environment that is free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, disability, or sexual orientation, including gender identity and expression. See [Policy #413](#) for detailed information.

Health Services

Your child will do their best work in school if they are healthy. Our nurse, Brianna Smith, phone (651) 385-4535 or bcsmith@rwps.org, is available to tend to your child's school health needs. The following procedures have been set up to help accomplish this:

Illness: In case of accident or illness at school, you will be notified. Transportation home and medical care need to be provided by you or someone you have designated. If you cannot be contacted, the person(s) you have listed as an emergency contact will be called. Please ensure we have current emergency phone numbers!

The criteria for keeping a student home from school are:

- 1) Temperature above 100 degrees F.
- 2) Vomiting or diarrhea within the last 24 hours.
- 3) A cough that does not stop with cough syrup or cough drops.

Please notify our school office immediately if your child becomes ill with a communicable disease.

Immunizations: State law mandates that every student attending school have immunizations up to date and verified. As a result, your child will not be allowed to enter school without immunizations.

Parents/guardians may file a medical exemption signed by a health care provider or a conscientious objection signed by a parent/guardian and notarized.

Medications: For the protection and care of children, prescriptive medication may only be dispensed upon receipt of the physician's signature and directions to administer the medicine. Parents should deliver medication in the original packaging to Twin Bluff's nurse and sign a release to give medication. No child is allowed to bring medications, including over-the-counter medications such as Tylenol or cough drops, to school to take on their own.

Homebound Instruction: School-age children who are unable to attend school because of prolonged illness or physical handicap are provided with homebound instruction. A certified teacher will come to the home or hospital to provide the instruction. If you are in need of this service, please contact our student services office at 651-385-4539.

Lost & Found

Labeling your child's sweatshirts, winter gear, etc., is very important. Twin Bluff's Lost & Found is located in the main lobby. Please encourage your child to check the Lost & Found regularly. Unclaimed items are donated to a local charity multiple times each school year.

Newsletters

At Twin Bluff Middle School, we utilize an online newsletter tool. Our monthly newsletter is emailed directly to families and is also posted on social media and the school website. If you prefer a paper copy, please contact the main office at 651-385-4530.

Physical Education Clothing, Participation, and Lockers

1. Physical education teachers will provide more information about what clothing to wear. Clothing must be neat, clean, and marked with the owner's name. Rubber-soled (non-marking) tennis shoes must be worn on the gym floor for physical education.
2. A doctor's notes must be presented to the nurse's office if, for some reason, a student cannot participate in a physical education class.
3. Generally, students will be given a week's notice if physical education lockers will be cleaned.
4. Students should provide their own lock for their athletic and physical education lockers.

Recess

All 5th graders are scheduled for one 30-minute recess supervised by staff who collaborate with teachers, as well as administration, to provide safe and fun play.

Cold Weather: As we know, Minnesota winters can get very cold. School staff closely monitor temperatures during the winter months. If the "feels like" temperature is above 0 degrees, all students will be outside for recess. If the "feels like" temperature at recess time is below 0 degrees, a decision will be made, in collaboration with recess supervisors, the school nurse, and administration on whether or not to go outside. Simply put, Twin Bluff students go outside even when it is cold, so proper attire in the winter is very important. Please ensure your child comes to school with a winter coat, snow pants, hats, and mittens during the winter months. If you need any assistance in securing winter outerwear, please contact the school office at 651-385-4532.

Report Cards

Grades are assigned at the end of each trimester (twelve weeks for trimester courses). The five-letter system of A, B, C, D, and F is used. Plus or minus signs may be used with all grades except F (with the exception of A+).

A grade of incomplete (I) will be recorded if the student's work is not completed at the end of the grading period. Students will have two weeks from the end of the grading period to complete their work. The grade will be changed to a passing (A, B, C, D) or non-passing grade (F) at the completion of the two-week window based upon the quality of make-up work. In case of a prolonged absence because of illness, a student may be given special permission to use more time in which to complete their work.

School Activities

The School District provides opportunities for students to pursue special interests that contribute to their physical, mental, and emotional health. Participants in school-sponsored activities must responsibly represent the school and community. All rules pertaining to student attendance, conduct, and student discipline, apply to all school activities.

Spectators at school-sponsored activities must behave appropriately. Students and employees may be

subject to discipline for inappropriate behavior. Parents/guardians and other spectators may be subject to sanctions for inappropriate, illegal, or unsportsmanlike behavior at these activities or events.

School Closings, Late Starts, & Early Releases

Notification: School may be canceled or delayed when the safety of students is threatened by severe weather or other circumstances. When possible, the Superintendent makes decisions by 5:30 am and notifies parents/parents via phone calls, emails, rwps.org, and the district's Facebook page. To opt in for text messages, send a text of "Y" or "Yes" to 67587. Message frequency varies and standard message and data rates may apply. Reply HELP for help and STOP to cancel notifications. See schoolmessenger.com/txt for more information. **The district will be announcing closures, delays, or early releases on the four major television stations (ABC, NBC, CBS, & FOX).**

Individual Circumstances: It is difficult to anticipate weather conditions in advance, and weather conditions may be different in different parts of the School District. Do not send your child to school if it is unsafe. Call your school's attendance line to indicate your child is unable to attend due to severe weather or poor road conditions.

Late Starts: Generally, if school starts late due to poor weather or other emergencies, the School District announces a two-hour late start. In that case, estimated bus pick-up times, entrance bells, and starting times for school will be two hours later than usual.

Early Releases: If there is a potentially dangerous storm arriving during the school day, the school may be released early. All students need to know what to do if school closes early. Please review procedures with your child and update your child's emergency contact card with contact information.

Please do not send your child to school if it is unsafe for your child to reach school due to severe weather. Call Twin Bluff's attendance line (651-385-4550) to let school officials know why your child will be absent from school.

Please refer to the Search of Student [Policy #502](#)

Social Media

At Twin Bluff Middle School, we utilize Facebook and Instagram to connect with our community and to highlight the great things happening within our building. Tobacco/Nicotine & Drug-Free Schools

School District students and staff have the right to learn and work in an environment that is tobacco and drug-free. School policy is violated by any individual's use of drugs or tobacco, tobacco/drug-related devices, or electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Individuals may not possess any type of tobacco or drug, tobacco/drug-related device, or electronic delivery device in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities.

Any student who violates this policy is subject to School District discipline and may be issued a citation from local law enforcement. See [Policy 418 & 419](#) for more detailed information.

TBMS Arrival and Departure Plan (more details can be found in Appendix A)

Parents/guardians may drop off students in their designated areas from 8:35 -8:45 am. The driver and any other passengers must stay in the vehicle, and students must **exit on the curb (passenger) side only**. Students should never be dropped off in the pull-through lane (left lane), nor should they exit on the traffic (driver's) side of a vehicle. In addition, parents/guardians are not allowed to drop students in other areas of the parking lot and Twin Bluff Road, for both safety and traffic-flow reasons.

Students who walk home or are picked up are released at 3:40 pm.. To keep students safe, please keep the following in mind while using the drop-off/pick-up loop:

- Please drop off or pick up only in the loop, not on Twin Bluff Rd or the upper parking lot.
- **Please use only the right lane to drop off curbside. The left lane is for pull-through only.**
- Students should only enter and exit on the right (passenger) side of the vehicle.
- Once you have picked up or dropped off, move to the left lane to exit.

Walkers are expected to walk to their destinations immediately. Please see *Appendix A: Twin Bluff Drop-Off & Pick-Up Procedures* for a more detailed description and map of Twin Bluff's drop-off and pick-up procedures.

End-of-day Changes

It is **really important** for your child to know his/her end of the day plan. If a change needs to be made for the same day, please call the attendance desk at 651-385-4560 **before 1:30 p.m.** Sending a note or email to your child's teachers for a same-day change is not recommended as the teachers may not have time to check email, or, if the teacher is gone for the day, a guest teacher will not have access to email. TBMS staff work diligently to ensure a safe and smooth transition at the end of the day. Calls received after 1:30 PM create uncertainty for students, increase the likelihood of confusion, and should be avoided if at all possible.

Procedure for Obtaining Non-Disclosure of Directory Information: The parent/guardian's or eligible student's written notice shall be directed to the responsible authority and shall include the following:

1. Name of the student and/or parent/guardians, as appropriate
2. Home address
3. The school attended by the student
4. Parent/guardian's legal relationship to student, if applicable; and
5. Specific categories of directory information to be made not public without the parent/guardian's or eligible student's prior written consent, which shall only be applicable for that school year.

Please note that such notification needs to be submitted each school year.

The School District will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school employee, volunteer, or member of the public who violates this policy. See Policy #501 for detailed information.

Website:

The Red Wing Public Schools' website is located at rwps.org. The site is full of useful information about curriculum, assessments, and services offered by the District, as well as links to various departments, documents, and calendars. The Twin Bluff Middle School webpage, located at <http://redwing.k12.mn.us/twinbluff/>, contains all kinds of Twin Bluff-specific information and is a great place to start with any questions you may have.

Winger Pride or Positive Behavior Interventions and Supports (PBIS)

At Twin Bluff School, our goal is to provide an environment that supports and fosters social-emotional, behavioral, and academic development. We are interested in and dedicated to developing the whole child. To that end, we utilize proactive strategies rooted in best practices to develop support for students. We

use the Positive Behavioral Interventions & Supports or PBIS framework to provide clear and consistent expectations, strive for positive interactions, and help students develop their social and emotional skills. We meet children where they are in terms of their own social and emotional needs and provide support for them to grow.

PBIS provides an evidence-based framework for preventing problem behavior, providing instruction and support for positive and pro-social behaviors, and supporting social, emotional, and behavioral needs for all students. Schools throughout the state of Minnesota, including all Red Wing Public Schools, have implemented PBIS. We are excited to continue developing our PBIS framework to ensure consistent behavioral expectations and support building-wide.

School Dances: (Student Leadership Dance's)

As we prepare for our three Student Leadership Dances this school year, we want to share important dates, details, and expectations for student participation. At our school, dances are an earned privilege. We call them Student Leadership Dances because the students in attendance consistently demonstrate our core values of being **Safe, Kind, and Responsible**. By meeting these expectations, every student has the opportunity to be a leader in our school community.

- **Fall Dance:** Friday, October 2, 2026
- **Winter Dance:** Friday, December 4, 2026
- **Spring Dance:** Friday, March 5, 2027

Attendance Criteria- To attend any of the upcoming dances, students must meet the following criteria:

- **Positive Behavior:** Zero major behavior referrals during the four weeks leading up to the dance.
- **No Suspensions:** No in-school or out-of-school suspensions during the qualification window.
- **School Attendance:** Students must attend school on the day of the dance to participate. In alignment with our high school's policy for after-school activities, if a student is too sick to attend school during the day, they are too sick to attend the dance that evening.

Event Details & Activities

- **Time:** 6:00 PM to 8:00 PM. Doors open promptly at 6:00 PM.
- **Admission:** \$5 at the door.
- **Door Prizes:** Students receive a numbered ticket upon entry. We will hold a random drawing for door prizes at the end of the night!
- **Activities:** In addition to dancing, students can enjoy mini-golf, bean bag toss, checkers, chess, Jenga, maze balance boards, drawing and coloring stations, Connect 4, and skee-ball.

- **Pick-up:** Parents and guardians are asked to ensure a safe, prompt pick-up at 8:00 PM.

Appendix A: Twin Bluff Middle School Drop-Off & Pick-Up Procedures

Ensuring the safety of students is our priority at TBMS. If you do choose to drive your child to school, there are designated areas and procedures that families must follow for the safety of all students. Please read the following procedures very carefully, and do not hesitate to contact us at 651-385-4530 if you have any questions.

Arrival and Beginning of the Day:

Plan for bus students: Students who arrive by bus will be greeted by staff wearing a high-visibility vest in the bus drop-off area. Students will enter through the main entrance and may stop and pick up breakfast before heading to their lockers and advisory classes.

Plan for riders/walkers: Students may be dropped off in the upper lot (off Twin Bluff Road) beginning at 8:35 a.m.. The school doors will open at 8:30 am for students who want to eat breakfast in the cafeteria. Students who do not want breakfast will be allowed entry starting at 8:35 am. Students will enter through their designated grade level door. All students will proceed to either the cafeteria for breakfast or directly to their lockers and homeroom classroom, depending on their arrival time and desire for breakfast..

- In short, students will not be allowed into the building before 8:35 am unless they want breakfast, so please make sure they are dressed appropriately for the weather. When the

doors are opened, teachers will be standing in the hallways welcoming the students and directing them to where they need to go.

End of Day and Departure:

Plan for bus students: Students who will ride the bus will be released from their classrooms at 3:40 p.m. and exit through their respective grade-level doors. Students will walk down to the bus loading area to get on their assigned bus. Buses normally depart the school at 3:49 p.m.

Plan for riders: Students who are picked up will be released from their classrooms at 3:40 p.m. They will exit through their respective grade-level doors and wait outside in their grade-level pick-up and drop-off area with staff until they are picked up.

Plan for walkers: Students who walk home will be directed towards the crosswalks in front of the school. Students who are waiting for a sibling or neighbor to walk home together are asked to meet by the flag pole in front of the school.

Inclement Weather Procedure

In the case of inclement weather (rain, temperatures below zero, etc.), students may use the main lobby to keep warm if they go outside and do not see their ride. On those days, parents/guardians will need to pull through the loop and be patient, as this limits the area for student pick-up

Other Points of Emphasis

- **Please be patient!** With a building full of students, it always takes a few weeks at the beginning of the year for pick-up and drop-off to run smoothly and efficiently.
- **Student safety is #1!** We understand that waiting can be inconvenient at times, but student safety is more important than adult convenience.
- Please do not use the lower parking lot under any circumstances! Our buses enter off of Pioneer Rd, and this is not a safe area for students to be dropped off in the morning or picked up at the end of the day.
- If your child's end-of-day plans change, you must notify Twin Bluff early in the day. Late changes tend to lead to confusion.
