Teachers Across Borders – Southern Africa

Every summer, a group of math and science educators from Hawaii and around the United States travel to Southern Africa to conduct workshops with our Southern African colleagues in rural schools.

Welcome back Bryan Silver

Junior Engineers Summer STEM Experience (JESSE)

Congratulations to the graduates of the JESSE Internship Program

Kalani had four Rising Seniors in the program.

Latasha Hui

Jesse Jong

Krystalyn Lee

Daniel Shiraki

The seniors listed above participated in the University of Hawaii College of Engineering's JESSE Internship Program this summer. Students engaged in hands-on engineering projects and/or assisted college undergraduates, researchers, and professors with their research in state-of-the-art facilities. A faculty mentor and/or graduate student was assigned to each intern to facilitate various research tasks based on their engineering interest within the designated laboratory.

The JESSE Program brings awareness to high school students interested in pursuing a career in the field of engineering and helps to support the successful transition from high school to college by providing opportunities to engage with faculty and students in a college setting.

One of the mentors was Blake Yamamoto a 2016 graduate from Kalani HS and the Robotics program. Blake is a PhD candidate in the corrosive metals lab and a JESSE program participant. Another mentor was Sarah Nakagaki a 2015 graduate. She is working at a civil Engineering firm and a JESSE Program Participant. Sarah will help mentor our students this year.

Congratulations

- Department of Education Consent and Assumption of Risk form per sport. (1 sport per form)
- Concussion Management Student Consent
- Need a physical? We encourage you to take your child to their regular doctor. Those who want a physical quicker please contact your nearby Urgent Care facility to inquire about walk-in physical appointments. (Fee may be charged). Don't forget to download and take the physical form with you.

Kalani High School requirements for athletic participation:

- Completion and submission of Athletic Registration (New to Kalani? Create a new account and remember your password. Returnees log in with their password.
- Sign up and try out for a team.
- Once selected to a team, student-athlete will pay the \$80.00 ASET Fee

ASET FEE \$80.00

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the \$80.00 Athletic Supply Equipment & Transportation (ASET) fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses and other transportation costs) is charged once per school year regardless of the number of teams your child gets selected for. A \$3.00 convenience fee is applied to online payments.

The Hawaii State Department of Education (Department) does not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. This requirement extends to all of the Department's programs and activities, including employment and admissions as applicable. If you have difficulty understanding English, you have the right to receive language assistance at no cost to you. Please contact your school's principal for more information. For the Department high schools that offer Career and Technical Education (CTE) Programs of Study in arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services, there are no admission criteria. Department high schools will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in CTE programs and will provide equal access to designated youth groups. The Department does not tolerate acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Any student who believes that he or she has been subjected to harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion is encouraged to report such harassment. Students and parents may report allegations of discrimination or harassment to the school's administrator or to the Department's Civil Rights Compliance Branch at the address listed below. The Department is committed to conducting prompt investigations. Support, including counseling and educational resources, will be available to students who are harassed as well as to students found to have engaged in acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Students found to have engaged in harassment may be disciplined up to and including suspension if circumstances warrant. Students, parents, and Department staff should work together to prevent harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. The Department will not tolerate retaliation for reporting discrimination and/or harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion, and will take steps to protect those who wish to report the discrimination or harassment. AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.

Continuous Notice

The Hawaii State Department of Education (HSDOE) and its schools do not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion in its programs and activities.
