Vision: Character. Compassion. Community.

**Mission : We at Kalani High School create opportunities to discover our passions, purpose, and personal pursuits.
"A vision is not just a picture of what could be; it is an appeal to our better selves, a call to become something more."**

Ne'epapa: Educating our Future

To move as a whole or unit; moving or working together in unison

Merry Christmas and a Happy New Year

Be Thankful – Be Safe

As we celebrate Christmas, we are hopeful that we have seen the worst of the pandemic. May your holidays sparkle with moments of love, laughter and goodwill and may 2023 be full of joy and happiness. Wishing all of you a healthy, prosperous and safe New Year. Please celebrate life in the company of friends and family.

Samsung Solve for Tomorrow State Finalist

Congratulations to the following students who qualified as state finalists for the SSFT contest.

Vincent Grillo and Andrew Lee

Inventory tracker for store shelves to prevent product loss and know the exact location of items to keep products from passing expiration dates.

and

Stephanie Lee and Ashton Birmingham

Plastic Infrared sensor to identify types of plastics for recycling.

This is for badly damaged plastics found on beaches/oceans to be sorted for post-processing.

Both teams will now develop an activity plan on how they will develop their product idea by January 18th,.

Food Drive

Thank you to all those who donated canned goods during our Thanksgiving Food Drive. We collected 872 pounds of food, which will help provide 726 meals to help nourish our 'ohana this season. A big mahalo to Mrs. Akasaki and the KAS students for their help organizing and collecting the food.

PSAT Scores

Students who tested on October 12, 2022, will have access to their PSAT test scores the week of December 5, 2022. Students will receive an email from College Board with information on how to access their scores online.

Warning from HPD (morning traffic – heading towards town)

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
