Vision: Character. Compassion. Community.

**Mission : We at Kalani High School create opportunities to discover our passions, purpose, and personal pursuits.
"A vision is not just a picture of what could be; it is an appeal to our better selves, a call to become something more."**

Ne'epapa: Educating our Future

To move as a whole or unit; moving or working together in unison

Congratulations

Dr. Michael Ida

Hawaii State Teacher of the Year 2023

FAFSA : Starting October 1st, the FAFSA application opens.

Many colleges, universities and scholarships from organizations require students to have completed the FAFSA in order to be eligible. Merit based scholarships are not determined by financial need but by academic excellence. Many students lose out on opportunities such as these because they did not complete the FAFSA. The final decision on what to accept from the Federal Government and college is up to your student and family. Please look over the financial aid package from the colleges very carefully. And finally, please be cautious of any organization or individual that approaches you with the promise of finding any additional monies, loan forgiveness, scholarships, or helping you find colleges especially if they charge a fee. Many of the paid services they offer can be done or found for free. Please do not hesitate to contact our College and Career Office at 305-0556 if you have any questions or visit the FAFSA website regarding this topic: <https://studentaid.ed.gov/sa/types/scams#dont-pay-for-fafsa>

Thank you, Lisa Hayashi / Sandra Yoshida – College and Career Guidance Counselors 808-305-0556

Graffiti

Parents, please talk to your child(ren) regarding graffiti on campus. We need your help to keep our campus clean. This is also an opportunity to remind your child(ren) that as responsible citizens, they should report students who vandalize property in order to keep our community clean and safe for everyone. Identified graffiti artists will be referred to HPD for possible arrest and restitution. Recommended restitution will include cleaning all graffiti on-campus for the rest of the school year.

Furthermore, HPD is encouraging students that walk to Kahala Mall after school to report graffiti to the City and County of Honolulu via the 311 (non-emergency HPD number).

Students can also use the Student CrimeStoppers number to report crimes anonymously (808) 955-8300

Federal Impact Aid

Aloha Parents and Guardians,

The Hawaii Department of Education Federal Impact Aid survey began on September 7, 2022. Hard copies of the form will be distributed to your child through their period 4 class. This program helps offset costs for school materials and resources, substitute teachers, student transportation, school utilities such as electricity, and other services at schools statewide. All students and schools benefit from Impact Aid. We kindly ask parents to complete the survey promptly and have your child return it to their period 4 class as soon as possible. More information can be found at the Hawaii Department of Education

website, <https://www.hawaiipublicschools.org>

Thank you in advance for your time and completing the Federal survey!

Mahalo!

Seniors

Parents of Seniors:

The Personal Transition Plan (PTP) is a 0.5 graduation credit requirement for all high school students. It is each student's plan of action to transition from high school to college and careers. Please double check with your senior child that he/she has completed his/her PTP requirement. If you are unsure, please email Mrs. Kacy Sumikawa, Class of 2023 counselor at ksumikawa@kalanihs.org.

Club Information

Future Farmers of America

FFA is a dynamic youth organization that changes lives and prepares members for premier leadership, personal growth and career success through agricultural education. FFA is not just for students who want to be production farmers; FFA also welcomes members who aspire to careers as teachers, doctors, scientists, business owners and more. FFA continues to help the next generation rise up to meet those challenges by helping its members to develop their own unique talents and explore their interests in a broad range of agricultural career pathways. All students in AFNR classes are invited to join Kalani FFA. Chapter meetings will be announced in class.

Japan Club

Hey Falcons! If you are interested in learning about Japanese culture, come and check out Kalani's Japan Club! We teach members about a wide variety of Japanese food, festivals, games and more through interactive activities and creative events. It's a fun opportunity for students to interact with each other and learn something new so we hope your child decides to become part of our Japan Club family! Please note it is not a requirement for your child to speak Japanese or be enrolled in a Japanese class to be eligible to join. Meetings are on Thursdays after school in C23. Hope to see you there!

DECA

All business pathway students have the opportunity to join the Kalani DECA Chapter. Membership information will be shared throughout all business courses. DECA is a student organization that is nationally and internationally recognized in preparing emerging leaders and entrepreneurs to be college and career ready.

Key Club

Key Club is a club that focuses on community service, providing a great opportunity to learn how to give back to the community. The club often works with Key Clubs from other schools, allowing students to meet new people. It is a great way to form bonds, learn how to become a leader, and make a difference. If interested, please contact Ms. Takayesu at takayesu@kalanihs.org or view one of the Key Club flyers that are displayed around campus for more information.

HOSA

The Health Occupational Students of America chapter here at Kalani High School strives to provide their members with experiences that they can't typically obtain in a classroom setting. Through the club, HOSA members can develop professional social connections and gain real world experience within different work environments through volunteering and engaging teamwork opportunities. HOSA typically reaches out to groups within the community, especially in medical related fields, to offer our members a glimpse into potential careers they might want to pursue. By encouraging our members to participate in such activities it motivates them to make the most of their high school years.

Laulea

Laulea is an inclusive, school-based club for students of all abilities. With the support of Special Olympics Hawaii School Programs, students with and without intellectual disabilities have the opportunity to participate together in social and recreational activities. Laulea provides opportunities to build student character, increase acceptance of disabilities, and develop leadership and other skills in an inclusive setting.

Speech and Debate Club

The Speech and Debate Club focuses on various aspects of speech and presenting. Members will be able to practice public speaking skills and participate in engaging debates with their peers. Our club allows for a safe space for students to have fun debates outside of a classroom environment, whilst improving their oratory skills.

Test Prep Club

Looking for free help preparing for the SAT or ACT?

Consider joining the Test Prep Club where experienced test takers, current Kalani students, go over advice, lecture strategies, and provide practice tests to prepare you for these standardized tests! Please join our [google classroom](#) (Class Code: fysop4m) for more information, and fill out the google form that is posted in our google classroom to let us know your potential test dates so we can host tutoring sessions. *Be sure to be signed into your @[kalanihs.org](#) gmail account.*

Winter Sports

This is a friendly reminder that the winter sports tryouts will be starting in a couple of weeks, and we are entering the crunch time for when we receive all the documents necessary to participate in tryouts. You should have received an email notification that your child may be missing all or parts of the following:

- You have not completed the online registration process.
- You have not submitted a current athletic physical form.
- You have not submitted a current Consent and Assumption of Risk form.
- You have not submitted a current Concussion Management Form.

All of these items must be in before the tryouts begin. If we are missing any of these items, your child will not be allowed to participate in tryouts, jeopardizing their possibility of being selected for a team. We encourage you to complete these requirements before October 21st. If your child is no longer interested in participating in a winter sport, please let us know, and we will remove your name from the email list. For more information, contact the coach listed below.

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
