Welcome Back : Hiroshima 20th Anniversary Sister State Partnership

Kalani High School was a part of Senator Brian Taniguchi's Delegation Traveling to Hiroshima, celebrating the 20th Anniversary of the Sister State Partnership. Japan Super Science Fair

Kalani High School is once again invited to participate in this year's Japan Super Science Fair in Kyoto, Japan. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan. Through various panel discussions on protection of migrant workers, protecting cultural and natural world heritages, reducing waste effectively, and eradicating inequality and injustice in society and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum serves as a way to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust. The Kalani Delegation will be traveling from October 31 – November 6.

PARENT PORTAL ACCOUNT LETTERS

Parent portal account letters will be distributed to students during Advisory next week. Students are asked to deliver the letters home to parents. Information and activation code for parent accounts are shared in the letter. The Parent Portal Account allows parents to view child's schedule, grades, attendance and or assignments (if teacher posts assignments). If they have more than one child at Kalani, they should be able to see both with the same account. Some schools in the complex may not have opted in to use Infinite Campus to allow parents to view information and therefore parents may only see information of children that are at participating schools.

Parent Portal Account

Parents of students new to Kalani may get an Infinite Campus parent portal account in the following ways:

- May request account information via email to neal_hirasaki@notes.k12.hi.us stating their child's name and their name in email.

PSAT

If your child has not signed up for the PSAT, we still have some spots available. The PSAT will be administered on October 11th at the Hilton Waikiki Beach Hotel. For 11th graders, this test will decide who can qualify for National Merit Scholarships and Recognition.

We also highly encourage our 9th and 10th graders to consider taking this test as it will be a good indicator as to how they will do on the SAT and also be familiar with the format of the PSAT for their 11th grade year. If your child links their PSAT scores on Khan Academy, they can have free individualized SAT prep with Khan Academy.

The cost is \$25 (cash or check to Kalani High School) and students can drop this off during recess, lunch, and after school to C12. We will be accepting payments until next week Wednesday (October 4th) before allowing homeschool students to register. If you have any questions or concerns, please contact Mr. Jason Tanaka. He can be reached at 305-0556 or jtanaka@kalanihs.org

ACADEMIC REVIEW STATUS:

The parent/guardian whose child is on Academic Review Status (ARS) is encouraged to stay in close communication with their child's teacher, counselor and coach. All parties should work in unison to ensure that the student-athlete has the greatest opportunity to be successful in their academics so that they may become eligible to participate in athletics.

WINTER SPORTS REGISTRATION IS NOW OPEN

Those individuals interested in participating in a Winter Sport may now go to <https://kalani-ar.schooltoday.com/> to register their child for athletics. This process is required for anyone who is interested in trying out for a sport at Kalani. Please read the directions completely prior to starting the registration so you will be successful on your first attempt. If your child has already registered for a Fall Sport but is now interested in participating in a Winter Sport then you do not need to re-register your child. Simply log into your account and add the sport your child is interested in for the Winter. You may also add a Spring sport at this time if you so wish. If you do not have computer access please email athletics@kalanihs.org and alternate arrangements shall be made for you.

Completing the registration process does not mean that your child has been selected to a team. This will not be determined until after tryouts have been completed. Parents will also have the opportunity to download athletic physical forms, consent forms, Student Publication Release forms for athletic events which will all need to be completed and turned into the athletic trainers before participating in any preseason, season and postseason activities. In addition, once selected to a team the parent/guardian and student-athlete will need to attend the DOE Mandated Sports Meeting and pay the Athletic Supply Equipment & Transportation fee. The Sports Meeting Dates for the winter sports shall be announced soon. Please visit www.kalaniathletics.com if you should need more information regarding athletics at Kalani. GO FALCONS!

SPORTS MEETING PROCEDURES:

The DOE requires that parents/guardians who have a child participating in athletics must attend the Parent Sport Meeting, with their child, once their child has been selected to a team. This is required once each school year that the child is participating in a sport. The meetings have now been broken down and grouped by sport. Please attend the Parent Sport Meeting for your child's sport.

The Parent/Guardian is required to go online (kalaniathletics.com) to view the OIA/OC16 Risk Management video under the video tab and to view/read both the DOE Parent and Student-Athlete Handbook and Kalani's Guide to Athletic Participation. This must be complete PRIOR to coming to the Parent Sport Meeting. Those who do not have computer access may request an appointment with the Athletics Director to view the video and be provided a hard copy of the two handbooks. Since your child has already been selected to a team the \$80.00 ASET fee is due at the Parent Sport Meeting. The Parent Sport Meetings shall be announced in the morning bulletin and will also appear on the athletic website, school calendar and Principal's Newsletter. Contact your child's coach if you should have any questions.

ATHLETIC PHYSICALS & CONSENT FORMS:

An Athletic Physical and the Parent Consent and Assumption of Risk (CAR) form is required before anyone may participate in any athletic training. Parents are encouraged to make every attempt to have these physicals completed during the summer months. If a student does not have a current physical on file with our Athletics Trainer prior to tryouts it may jeopardize their opportunity to make the team. Those participating in a winter sport should consider having their physicals completed no later than October. Spring sports should be no later than February. Physicals are good for one calendar year from the date of the physical. A separate CAR form is needed for each sport your child participates in. These forms are to be turned in directly to the Athletic Trainers. Please do not give them to the coach! For more information please contact our Athletic Trainers. **The trainers start work at 1:00pm.**

ATHLETIC PRACTICE SAFETY:

For your safety and the safety of our student-athletes our practices are closed to the public. The gym doors will be closed during practice times and for the field/pool sports parents are asked to stay outside the fence line of the entire field/pool. Parents are asked to plan on arriving to pick up their child after a practice/game prior to end of the event. We want to be sure that there is adult supervision until all athletes have been picked up. Please communicate with your child's coach if you should have any questions. Reminder that there is to be NO SMOKING/VAPORING, NO ALCOHOL AND NO PETS allowed on any DOE campus.

COMMUNITY CONNECTIONS

Construction on Campus

Work continues on the Girls Varsity Locker Room Project. This new facility, a Title IX Project is being constructed between the gym and track. It will be the first new building on campus since the pool was built in 1975. The girls have been without a Varsity Locker Room since the school was built in 1958. There is a Boys Varsity Locker Room. Your diligence and patience helps to provide for the safety of all members of our community of learners. We know that this new facility will enhance the overall education and experience for your child. Thank you.
