The Dessert Fantasy event is a yearly benefit for the United Cerebral Palsy Assoc of Hawaii featuring several desserts from local professionals and establishments. The ultimate judging and sampling of numerous bite size desserts is held in the Pacific Beach Hotel Ballroom. This is the second year they have invited High Schools to participate in a Dessert Challenge. This year Kalani High School won the "Judges Choice" award for best High School dessert and the "Peoples Choice" award which is the public's vote for the best dessert over-all. The four students receiving the award were Alejandro Yoon, Jax Perez, Katheren Lam and Pebbles Sekiguchi. They were responsible for baking, plating, garnishing and serving 300 of their original desserts which we named Key Lime Passion Delights.

Mauna Kea Scholars

Kalani High School invites students interested in astronomy to participate in the Mauna Kea Scholars Program. The intent of this project is to provide secondary students equity of access to STEM educators from Gemini Observatory and the Canada-France-Hawaii Telescope and enable them to experience real world applications of scientific inquiry and exploration. Through a series of distance and blended learning opportunities using observatory astronomical data, students will be able to learn from, and be assisted by participating observatory educators as they engage in collaborative inquiry projects across geographical locations. The goal of this collaboration is to increase student interest in astronomy-related science fair and senior projects, and provide mentoring and internship opportunities for the students. Attention Parents of Class of 2019 – 5 things for parents to do during your child's junior year

1. Make sure your child meets with the school counselor. This meeting is especially important this year as your 11th-grader begins the college application process. [Learn more about the counselor's role in applying to college.](#)
2. Encourage your child to set goals for the school year. Working toward specific goals helps your high schooler stay motivated and focused.
3. Help your junior get ready for the PSAT/NMSQT. This is a test that helps students practice for college admission tests and helps to assess their academic skills. Juniors who score well on the PSAT/NMSQT are also eligible for scholarship opportunities. Find out more about the [PSAT/NMSQT](#).
4. Talk your child about an extracurricular activity to focus on this year. It can be one your child is already involved in or something new. Sticking with [extracurricular activities](#) helps students develop their interests and lets colleges see that they can make a commitment.
5. Help your child make a plan. Help your child create a customized step-by-step college plan. Keep on top of the tasks required to get ready for applying to college, track progress and more. Your child may already have created a plan; make sure it's been updated to include his or her junior year goals.

ACADEMIC REVIEW STATUS:

The parent/guardian whose child is on Academic Review Status (ARS) is encouraged to stay in close communication with their child's teacher, counselor and coach. All parties should work in unison to ensure that the student-athlete has the greatest opportunity to be successful in their academics so that they may become eligible to participate in athletics.

WINTER SPORTS REGISTRATION IS NOW OPEN

Those individuals interested in participating in a Winter Sport may now go to <https://kalani-ar.schooltoday.com/> to register their child for athletics. This process is required for anyone who is interested in trying out for a sport at Kalani. Please read the directions completely prior to starting the registration so you will be successful on your first attempt. If your child has already registered for a Fall Sport but is now interested in participating in a Winter Sport then you do not need to re-register your child. Simply log into your account and add the sport your child is interested in for the Winter. You may also add a Spring sport at this time if you so wish. If you do not have computer access please email athletics@kalanihs.org and alternate arrangements shall be made for you.

Completing the registration process does not mean that your child has been selected to a team. This will not be determined until after tryouts have been completed. Parents will also have the opportunity to download athletic physical forms, consent forms, Student Publication Release forms for athletic events which will all need to be completed and turned into the athletic trainers before participating in any preseason, season and postseason activities. In addition, once selected to a team the parent/guardian and student-athlete will need to attend the DOE Mandated Sports Meeting and pay the Athletic Supply Equipment & Transportation fee. The Sports Meeting Dates for the winter sports shall be announced soon. Please visit www.kalaniathletics.com if you should need more information regarding athletics at Kalani. GO FALCONS!

SPORTS MEETING PROCEDURES:

The DOE requires that parents/guardians who have a child participating in athletics must attend the Parent Sport Meeting, with their child, once their child has been selected to a team. This is required once each school year that the child is participating in a sport. The meetings have now been broken down and grouped by sport. Please attend the Parent Sport Meeting for your child's sport.

The Parent/Guardian is required to go online (kalaniathletics.com) to view the OIA/OC16 Risk Management video under the video tab and to view/read both the DOE Parent and Student-Athlete Handbook and Kalani's Guide to Athletic Participation. This must be complete PRIOR to coming to the Parent Sport Meeting. Those who do not have computer access may request an appointment with the Athletics Director to view the video and be provided a hard copy of the two handbooks. Since your child has already been selected to a team the \$80.00 ASET fee is due at the Parent Sport Meeting. The Parent Sport Meetings shall be announced in the morning bulletin and will also appear on the athletic website, school calendar and Principal's Newsletter. Contact your child's coach if you should have any questions.

ATHLETIC PHYSICALS & CONSENT FORMS:

An Athletic Physical and the Parent Consent and Assumption of Risk (CAR) form is required before anyone may participate in any athletic training. Parents are encouraged to make every attempt to have these physicals completed during the summer months. If a student does not have a current physical on file with our Athletics Trainer prior to tryouts it may jeopardize their opportunity to make the team. Those participating in a winter sport should consider having their physicals completed no later than October. Spring sports should be no later than February. Physicals are good for one calendar year from the date of the physical. A separate CAR form is needed for each sport your child participates in. These forms are to be turned in directly to the Athletic Trainers. Please do not give them to the coach! For more information please contact our Athletic Trainers. **The trainers start work at 1:00pm.**

Parents are asked to plan on arriving to pick up their child after a practice/game prior to end of the event. We want to be sure that there is adult supervision until all athletes have been picked up. Please communicate with your child's coach if you should have any questions. Reminder that there is to be NO SMOKING/VAPORING, NO ALCOHOL AND NO PETS allowed on any DOE campus.

Your diligence and patience helps to provide for the safety of all members of our community of learners. We know that this new facility will enhance the overall education and experience for your child. Thank you.
