Parents / Guardians,

We are excited to involve you in our process of revitalizing Kalani's school vision and mission! Throughout the fall semester, our entire faculty and vision committee team have worked to articulate language that captures and inspires our identity and purpose as an educational community. In our writing stages, we realized we needed simple, memorable, and meaningful words to both champion Kalani culture and help characterize its future.

Final draft of our vision: **Character. Compassion. Community.**

We defined these words in the following statements:

1. Character: Using knowledge with integrity.
2. Compassion: Seeking to actively listen and understand beyond personal perspective and striving to nurture relationships.
3. Community: Students, parents, staff, and friends of Kalani empowering each other in an environment that fosters a sense of belonging and pride.

We would love to have your feedback, as well as any comments or concerns, regarding our vision words and statements.

Please contact [Leslie\\_hamasaki@notes.k12.hi.us](mailto:Leslie_hamasaki@notes.k12.hi.us)

## COMMUNITY CONNECTIONS

### Construction on Campus

Work continues on the Girls Varsity Locker Room Project. This new facility, a Title IX Project is being constructed between the gym and track. It will be the first new building on campus since the pool was built in 1975.

The girls have been without a Varsity Locker Room since the school was built in 1958. There is a Boys Varsity Locker Room. We know that this new facility will enhance the overall education and experience for your child. Thank you.

*Mañalo to Representatives Mark Hashem, Calvin Say, Bertrand Kobayashi and Senators Stanley Chang and Les Ihara for their support of this project. Mitchell Otani - Principal*

## Awards / Teacher Recognition

Forthcoming

## Partnerships

### Global Participation

### Japan Super Science Fair : November 1 - 9

Kalani High School is once again invited to participate in this year's Japan Super Science Fair in Kyoto, Japan. Priscilla Hsu, Daniel Huang, Kailer Okura, Jenna Tsuzaki and Julia Tsuzaki (accompanied by Mrs. Hamasaki) will be presenting their research topic "An Energy Analysis of Invasive Species Avrainvillea Amadelpa" and performing their Cultural Presentation in early November at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan. Our students left on November 1 - return home on November 9. JSSF newsletters and photos online <http://www.fkc.ritsumeikai.ac.jp/fkc/jssf2017/index.html>

### **Jeju Student Forum : October 31 – November 6**

Kalani High School is once again invited to participate in the Jeju Student Forum in Korea. Rosalyn Kagimoto, Kokoro Matsumoto, Shannon Shigeta and Cameron Woods, (accompanied by teacher Mike Zane) will be representing Hawaii and the United States in Jeju, Korea. The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on protection of migrant workers, protecting cultural and natural world heritages, reducing waste effectively, and eradicating inequality and injustice in society and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum serves as a way to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust. The Kalani Delegation will be traveling from October 31 – November 6.

### **International Moonbase Summit**

Kalani High School participated in the International Moonbase Summit in Kailua, Kona from October 1-5, 2017. Junior Shirley Li and Mr. Kenneth Okawa attended this historic summit, participating alongside aerospace engineers, scientists and policy makers in crafting the future of mankind's presence in space. For more info : <https://moonbasealliance.com/>

### **Welcome Back KAS President Ryder Tanaka and Counselor Kacy Sumikawa**

Kalani High School was well represented at the 2nd Hiroshima Junior International Forum hosted by Hiroshima Governor Yuzaki. KAS President Ryder Tanaka and Counselor Mrs. Sumikawa listened to experts in international relations, collaborated with teachers and students from other nations, and made connections with other participants and chaperones to spread the message of peace.

### **Welcome Back : Hiroshima 20<sup>th</sup> Anniversary Sister State Partnership**

Kalani High School was a part of Senator Brian Taniguchi's Delegation Traveling to Hiroshima, celebrating the 20<sup>th</sup> Anniversary of the Sister State Partnership. Eight other Hawaii high schools joined First Lady Dawn Ige and other legislators. Emele Kim, Emily Martinez, Lina Namatame, Rovi Porter and Student Activities Coordinator Rei Akasaki represented Kalani.

### **Kalani High School to Participate in the College Board's AP Capstone™ Program Diploma Program Focuses on Inquiry, Research, and Writing Skills Crucial for College and Career Success**

### **Support for the Red Cross**

The Kalani Crosscountry Team raised \$400 collecting recyclables.- donating the \$400 to the Red Cross of Hawaii.

### **Mauna Kea Scholars**

Kalani High School invites students interested in astronomy to participate in the Mauna Kea Scholars Program. The intent of this project is to provide secondary students equity of access to STEM educators from Gemini Observatory and the Canada-France-Hawaii Telescope and enable them to experience real world applications of scientific inquiry and exploration. Through a series of distance and blended learning opportunities using observatory astronomical data, students will be able to learn from, and be assisted by participating observatory educators as they engage in collaborative inquiry projects across geographical locations. The goal of this collaboration is to increase student interest in astronomy-related science fair and senior projects, and provide mentoring and internship opportunities for the students. For more information, please go to [maunakeascholars.com](http://maunakeascholars.com)
