DEADLINE...Friday 9:00am is the deadline for your group’s input in next Parent Bulletin.

Email address ----- mitchell_otani@notes.k12.hi.us

“Dare to reach out your hand into the darkness, to pull another hand into the light.”
“One knows from daily life that one exists for other people - first of all for those upon whose smiles and well-being our own happiness is wholly dependent, and then for the many, unknown to us, to whose destinies we are bound by the ties of sympathy.”
Albert Einstein | 1879 - 1955 | Swiss physicist & Nobel Prize winner

Congratulations

Sione Ve'a Kava (Kalani 2016) signs Letter of Intent with Oregon

Sione Ve'a Kava is Oregon bound. Sione signed with the Oregon Ducks in December without ever visiting the campus. The three-star prospect was the 2017 All-California Community College Region IV Defensive Player of the year. He had 22 tackles, 7.5 tackles for loss and five sacks as a sophomore.

Sione chose the Ducks over offers from Arizona State, Georgia, Hawaii, Nevada, Ole Miss, Oklahoma, Oregon State, Syracuse and others. The 6-foot-6, 270-pound man in the middle, out of East Los Angeles College (California) is the reigning state defensive player of the year (junior college ranks) and should provide Oregon will some much-needed depth up front.

National School Walkout : Wednesday, March 14 (10:00 – 10:17)

Kalani is in support of Student Voice and is working with students to handle student walkouts in a positive way. During this teachable moment, students will be allowed to leave their classes to meet in the cafeteria or other parts of campus to honor the 17 lives lost and to talk about issues of gun violence and campus safety. Students will not be allowed to leave campus during this time and will return to classes by 10:22. Thank you for your patience and understanding. Please feel free to call me if you have any questions and/or concerns.Mr. Otani (Principal)

Congratulations Maunakea Scholars Program

Kalani High School students win research time with Maunakea telescopes

Six ambitious Kalani High School students will conduct sophisticated astronomical research using some of the world's most powerful telescopes. The aspiring astronomers were awarded time to use three Maunakea observatories as a part of the Maunakea Scholars program-an innovative partnership between the Maunakea Observatories and the Hawaii State Department of Education.

Working alongside Institute for Astronomy graduate student mentors at the University of Hawaii, the students developed professional-style research proposals for the review and selection of the Maunakea Scholars time allocation committee.

The committee selected the three winning proposals:

Alyssa Zhang was awarded one hour of observing time with the NASA Infrared Telescope Facility for her proposal, "Brown Dwarf Spectroscopy"

Yuyun Lee was awarded one hour of observing time with the Las Cumbres Observatory for his research proposal, "Determining the Composition of the Asteroids in the Solar System"

Kaitlyn Tsuha and Jenny He were awarded one hour of observing time with the NASA Infrared Telescope Facility for their research proposal, "Measuring Jupiter's Bands"

Ashley Taylor and Kaitlyn Strandberg were awarded one hour of observing time with Gemini Observatory for their research proposal, "Comparing the Atmospheric Composition of Triton and Pluto"

2018 CTSO Convention DECA Results

Nationals : First Place – Finance: Niquerose Cacho, Sun Young Kim

Exam : Tied for first place - Finance: Niquerose Cacho, Sun Young Kim

Finalists in their event

- Finance: Niquerose Cacho, Sun Young Kim
- Travel and Tourism Marketing: Havea Langi, Johnny Lum
- Business Services Marketing: Norika Liu

Medallion Winners (Top 2 role-play scores in their event.)

- Finance: Niquerose Cacho, Sun Young Kim
- Travel and Tourism Marketing: Havea Langi, Johnny Lum

- Business Services Marketing B: Norika Liu
- Quick Serve Restaurant Management: Kailee Chun

2018 Hawaii State Leadership Conference HOSA Finalists

Public Service Announcement : Mia Lo, Emele Kim and Malia Munday: 1st place

Emergency Medical Technician : Emily Wong and Sunwoo Oh: 2nd place

Medical Assisting : Anita Cai: 3rd place

Sports Medicine : Azure Chung: 3rd place

CERT Skills : Nicolas Oshiro and Maxwell Miyasato: 3rd place

Biomedical Debate : Hina Ichikawa, Brandon Effendi and Kha Bui: 3rd place

All of these students have qualified to participate and compete in this year's (2018) HOSA International Leadership Conference in Dallas Texas (June 25 to June 30)

***Congratulations
Girls Cyber Start Winners***

CyberStart is a forward-thinking skills program designed to supply specialist cyber security education to young people across the US. Using a suite of online challenges, tools and games it aims to inspire the next generation of cyber security professionals while identifying the best and most talented young Americans.

We are facing a significant shortage of trained and skilled cyber security professionals at a time where online technologies continue to evolve, and cybercriminals are becoming more sophisticated. The only way to solve this problem is to introduce, develop and help young people, in high school and college, pursue a career in this sector.

Our program has been designed so that it doesn't matter whether you are a hobbyist, interested in gaming or have studied computer science before. The platforms challenges are accessible to those without any pre-existing knowledge and welcome various ages and skill levels.

**1st in the state : The Idalings (10th in the nation) : Kia Mauricio, Sage Enomoto, Rovi Porter, and Katrina Nishikawa.
3rd in the state : The Valkyries (40th in the nation) : Alexandria Lim, Mija Wheeler, Katrina Kuo, and Regina Lee.
12th in the state : ByteMe : Patricia Pahinag and Kalya Lim-Tam**

Parents / Guardians,

We are excited to involve you in our process of revitalizing Kalani's school vision and mission! Throughout the fall semester, our entire faculty and vision committee team have worked to articulate language that captures and inspires our identity and purpose as an educational community. In our writing stages, we realized we needed simple, memorable, and meaningful words to both champion Kalani culture and help characterize its future.

Final draft of our vision: **Character. Compassion. Community.**

We defined these words in the following statements:

1. Character: Using knowledge with integrity.
2. Compassion: Seeking to actively listen and understand beyond personal perspective and striving to nurture relationships.
3. Community: Students, parents, staff, and friends of Kalani empowering each other in an environment that fosters a sense of belonging and pride.

We would love to have your feedback, as well as any comments or concerns, regarding our vision words and statements.

Please contact Leslie_hamasaki@notes.k12.hi.us

Samsung Solve for Tomorrow Finalist – Update

Mr. Silver's STEM Capstone class' entry has been selected as the state winner.

Congratulations to Mr. Silver's STEM Capstone class. Their entry was one of the top five in state out of 3,000 entries nationwide. Their proposal is to cool classrooms using the laws of thermal dynamics by engineering a device that can compress air on one side and as it passes through the rapid expansion of the air coming out will be cooler.

COMMUNITY CONNECTIONS

Construction on Campus

Work continues on the Girls Varsity Locker Room Project. This new facility, a Title IX Project is being constructed between the gym and track. It will be the first new building on campus since the pool was built in 1975.

The girls have been without a Varsity Locker Room since the school was built in 1958. There is a Boys Varsity Locker Room. We know that this new facility will enhance the overall education and experience for your child. Thank you.

Mahaalo to Representatives Mark Hashem, Calvin Say, Bertrand Kobayashi and Senators Stanley Chang and Les Ihara for their support of this project.

Mitchell Otani - Principal

Awards / Teacher Recognition

Forthcoming

Partnerships

Global Participation

Japan Super Science Fair : November 1 - 9

Kalani High School is once again invited to participate in this year's Japan Super Science Fair in Kyoto, Japan. Priscilla Hsu, Daniel Huang, Kailer Okura, Jenna Tsuzaki and Julia Tsuzaki (accompanied by Mrs. Hamasaki) will be presenting their research topic "An Energy Analysis of Invasive Species *Avrainvillea Amadelpa*" and performing their Cultural Presentation in early November at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan. JSSF newsletters <http://www.fkc.ritsumei.ac.jp/fkc/jssf2017/index.html>

Jeju Student Forum : October 31 – November 6

Kalani High School is once again invited to participate in the Jeju Student Forum in Korea. Rosalyn Kagimoto, Kokoro Matsumoto, Shannon Shigeta and Cameron Woods, (accompanied by teacher Mike Zane) will be representing Hawaii and the United States in Jeju, Korea. The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on protection of migrant workers, protecting cultural and natural world heritages, reducing waste effectively, and eradicating inequality and injustice in society and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum serves as a way to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust. The Kalani Delegation will be traveling from October 31 – November 6.

International Moonbase Summit

Kalani High School participated in the International Moonbase Summit in Kailua, Kona from October 1-5, 2017. Junior Shirley Li and Mr. Kenneth Okawa attended this historic summit, participating alongside aerospace engineers, scientists and policy makers in crafting the future of mankind's presence in space. For more info : <https://moonbasealliance.com/>

Welcome Back KAS President Ryder Tanaka and Counselor Kacy Sumikawa

Kalani High School was well represented at the 2nd Hiroshima Junior International Forum hosted by Hiroshima Governor Yuzaki. KAS President Ryder Tanaka and Counselor Mrs. Sumikawa listened to experts in international relations, collaborated with teachers and students from other nations, and made connections with other participants and chaperones to spread the message of peace.

Welcome Back : Hiroshima 20th Anniversary Sister State Partnership

Kalani High School was a part of Senator Brian Taniguchi's Delegation Traveling to Hiroshima, celebrating the 20th Anniversary of the Sister State Partnership. Eight other Hawaii high schools joined First Lady Dawn Ige and other legislators. Emele Kim, Emily Martinez, Lina Namatame, Rovi Porter and Student Activities Coordinator Rei Akasaki represented Kalani.

Kalani High School to Participate in the College Board's AP Capstone™ Program Diploma Program Focuses on Inquiry, Research, and Writing Skills Crucial for College and Career Success

Support for the Red Cross

The Kalani Crosscountry Team raised \$400 collecting recyclables.- donating the \$400 to the Red Cross of Hawaii.

Mauna Kea Scholars

Kalani High School invites students interested in astronomy to participate in the Mauna Kea Scholars Program. The intent of this project is to provide secondary students equity of access to STEM educators from Gemini Observatory and the Canada-France-Hawaii Telescope and enable them to experience real world applications of scientific inquiry and exploration. Through a series of distance and blended learning opportunities using observatory astronomical data, students will be able to learn from, and be assisted by participating observatory educators as they engage in collaborative inquiry projects across geographical locations. The goal of this collaboration is to increase student interest in astronomy-related science fair and senior projects, and provide mentoring and internship opportunities for the students.
