Freshmen Parents

As you know, bullying behaviors can occur on and off school grounds and outside of school hours, and as school staff, we understand the importance of our partnership with you as well as educating not only our students but our parents about this very important issue. We want your son and or daughter to be clear that bullying others is not at all innocent behavior and that it can have devastating consequences to both its perpetrators and victims. With this said, we will be having a Cyberbullying and Bullying presentation for your son/daughter on Monday, November 21, 2016, during our Advisory Period (from 11:00 – 12:00 pm). Freshmen parents are welcome to attend this informative presentation sponsored by HPD-Community Affairs Division. If you choose to attend, please park in the upper parking lot and check in at the main office.

Federal Survey Cards

The Department of Education is asking parents to complete Federal Impact Aid Survey Card. They are requiring schools to have a 100% participation rate. The information received enables schools to receive funding that benefits all public schools statewide.

SPORTS MEETING PROCEDURES:

The DOE requires that parents/guardians who have a child participating in athletics must attend the Parent Sport Meeting, with their child, once their child has been selected to a team. This is required once each school year that the child is participating in a sport. The meetings have now been broken down and grouped by sport. Please attend the Parent Sport Meeting for your child's sport. The Parent/Guardian is required to go online (www.kalaniathletics.org) to view the OIA/OC16 Risk Management video under the video tab and to view/read both the DOE Parent and Student-Athlete Handbook and Kalani's Guide to Athletic Participation. This must be complete PRIOR to coming to the Parent Sport Meeting. These items will no longer be distributed at the sport meeting. Those who do not have computer access may request an appointment with the Athletics Director to view the video and be provided a hard copy of the two handbooks. Since your child has already been selected to a team the \$80.00 ASET fee is due at the Parent Sport Meeting. The Parent Sport Meetings shall be announced in the morning bulletin and will also appear on the athletic website, school calendar and Principal's Newsletter. Contact your child's coach if you should have any questions.

ATHLETIC PHYSICALS & CONSENT FORMS:

An Athletic Physical and the Parent Consent and Assumption of Risk (CAR) form is required before anyone may participate in any athletic training. Parents are encouraged to make every attempt to have these physicals completed during the summer months. If a student does not have a current physical on file with our Athletics Trainer prior to tryouts it may jeopardize their opportunity to make the team. Those participating in a winter sport should consider having their physicals completed no later than October. Spring sports should be no later than February. Physicals are good for one calendar year from the date of the physical. A separate CAR form is needed for each sport your child participates in. These forms are to be turned in directly to the Athletic Trainers. Please do not give them to the coach! For more information please contact our Athletic Trainers. **The trainers start work at 1:00pm.**

In memory of.....

Former Teacher : Joyce Wiese

JOYCE WILLIAMS WIESE Joyce W. Wiese, 93, of Mililani peacefully passed away on September 26, 2016. Joyce was considered an exceptional and inspirational teacher and was remembered and respected long after her retirement. Joyce was born on May 28, 1923 to Claire and John Williams in Detroit, Michigan. After losing her mother at the age of 3, Joyce was raised by her maternal grandparents for the next seven years. She always referred to that time as the happiest period of her life. When she was 15 years old, she was in a city wide theatre production where she met her future soulmate, Robert Wiese, who was only 16 years old at the time. For the next several years, Joyce and Robert finished high school; began college; and started to plan for their future. Joyce was determined to get a college education so without any financial support, she was accepted to Kalamazoo College in Kalamazoo, Michigan and worked three jobs to pay her way through school. Due to the war, Robert entered the Navy and became a pilot. Joyce left Kalamazoo College in her junior year to marry Robert on February 4, 1944. They subsequently raised four children: Danal, Kathleen, Marta and Mark. As was the expectation of the times, Joyce remained home to care for her children until the youngest child was in school. She then returned to college and received her Bachelor of Arts degree and then a Master of Education degree, both of which were from Wayne State University in Detroit. Her first teaching assignment was at Center Line High School in Center Line, Michigan where she received the Teacher of the Year award (voted by the students) in her second year of teaching in June 1960. After relocating to Hawaii in 1960, her first Hawaii teaching position was at the Kamehameha Schools, where she was one of the only female teachers in what was then the Boys School. She taught psychology and was the class counselor for the Class of 1966. She transferred to the Department of Education and taught for a short time at Kailua High School and then in 1965 started her long tenure at **Kalani High School**. She remained at **Kalani High School** until she retired in 1989. At **Kalani High School** she was known as not only a teacher who expected her students to excel and push themselves but one who also cared about her students. She made an effort to know each and every one of them through personal meetings or informal chats. Due to her dedication to excellence, many of her students were able to receive college credit for psychology through testing. She was very proud of that fact. This personal attention was remembered by her students for decades. In 2011 she was honored by the Kalani Alumni Association with its first Falcon Award. In retirement Joyce continued to substitute at Moanalua High School, volunteered at TV Channel 2 Action Line and traveled extensively. She and Robert began traveling in 1975 and throughout the years they developed long lasting friendships worldwide. After Robert's death in 1989, Joyce continued to travel until a couple of years ago when her physical health was beginning to fail her. Also preceding her in death was her eldest child, Danal, in 2014. She is survived by her remaining three children: Kathleen (Roy) Reeber, Marta (Michael) Rounds, and Mark (Cynthia) Wiese; her daughter-in-law, Laurel Wiese; six grandchildren: Jennifer Wiese Ferrer, Ty (Stephanie) Wiese, Marta-Malia (John) Blake, Timothy (Mayara) Reeber, Elizabeth (Ryan) Bradford, and Robert Kai Rounds; and

10 great grandchildren. A Celebration of Life will be held at Nuuanu Memorial Park at 2233 Nuuanu Avenue on Sunday, October 16, 2016 at 5 pm. Aloha attire. In lieu of flowers, donations can be made to the Kalamazoo College Fund. (kcf@kzoo.edu; Joyce Williams Wiese, class of 1944). Arrangements Provided By: Nuuanu Memorial Park & Mortuary
