Once your child has been selected for a team the Parent/Guardian and Student-Athlete must attend the DOE mandated Sport Meeting.

### ACADEMIC REVIEW STATUS: Next Grade check – December 12, 2016

The parent/guardian whose child is on Academic Review Status (ARS) is encouraged to stay in close communication with their child's teacher, counselor and coach. All parties should work in unison to ensure that the student-athlete has the greatest opportunity to be successful in their academics so that they may become eligible to participate in athletics.

#### Eligibility Dates

December 27, 2016	January 23, 2017	
February 6, 2017	February 21, 2017	
March 6, 2017	March 20, 2017	April 10, 2017
April 24, 2017	May 8, 2017	May 22, 2017

**Athletes on ARS cannot travel off-island for any pre-season tournaments or games.**

**This policy is in effect to allow the student-athlete to focus on academics (should not miss classes)**

### ATHLETIC PHYSICALS & CONSENT FORMS:

An Athletic Physical and the Parent Consent and Assumption of Risk (CAR) form is required before anyone may participate in any athletic training. Parents are encouraged to make every attempt to have these physicals completed during the summer months. If a student does not have a current physical on file with our Athletics Trainer prior to tryouts it may jeopardize their opportunity to make the team. Those participating in a winter sport should consider having their physicals completed no later than October. Spring sports should be no later than February. Physicals are good for one calendar year from the date of the physical. A separate CAR form is needed for each sport your child participates in. These forms are to be turned in directly to the Athletic Trainers. Please do not give them to the coach! For more information please contact our Athletic Trainers. **The trainers start work at 1:00pm.**

## COMMUNITY CONNECTIONS

## Awards / Student Recognition

### Congratulations

#### National Merit Semi-Finalist

Congratulations to **Kacie Kajihara** and **Emily Yang**

Kacie and Emily are amongst the 16,000 Semifinalists (two of the 66 in the State of Hawaii) in the 62<sup>nd</sup> annual National Merit Scholarship Program. These two academically talented high school seniors have the opportunity to continue in the competition for some 7,400 National Merit Scholarships worth more than 32 million that will be offered in the spring.

The minimum qualifying score on last year's PSAT test to be a semi-finalist is 217.

Congratulations also to Christopher Lindsay (transfer from Iolani) who is also a National Merit Semi-Finalist.

#### National Merit Commended Students

The following students have been named Commended Students in the 2017 National Merit Scholarship Program. About 34,000 Commended Students throughout the nation are recognized for their exceptional academic promise. These Commended Students placed among the top 5% of more than 1.5 million students who entered the 2017 competition by taking the

Preliminary SAT / National Merit Scholarship Qualifying Test last year.

“The young men and women named Commended Students have demonstrated outstanding potential for academic success. They represent a valuable national resource; recognizing their accomplishments, as well as the key role Kalani High School plays in their academic development, is vital to the advancement of educational excellence in our nation. –National Merit Scholarship Corporation

## **Awards / Teacher Recognition**

**Bryan Silver : 7-12 Presidential Awardee for Excellence in Mathematics and Science Teaching**

### **Partnerships**

#### **Japan Super Science Fair**

Kalani High School was well represented at this year's Japan Super Science Fair in Kyoto, Japan.

Leslie Horita, Kacie Kajihara, Moriah Tom, Chance Yagi and Emily Yang (accompanied by Mr. Okawa) presented their research topic "Effect of Myostatin Inhibition on Rheumatoid Arthritis" and performed their Cultural Presentation last week at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan.

#### **Jeju Student Forum**

Kalani High School was well represented at the Jeju Student Forum in Korea. Erin Terada, Shayn Toothman, Kaitlyn Yong and Austin Young (accompanied by Counselor Trevor Teraoka) represented Hawaii and the United States. The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on peace, environmental concerns, bullying, and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum served as a way for our students to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust.

Mahalo to the Department of Business and Economic Development for sponsoring this trip.

Congratulations Austin Young. He received a Certificate of Appointment from the Governor of Jeju.

Austin and one Jeju student were selected as Jeju Honorary Youth Ambassadors.

#### **Kalani High School announces Partnership with the University of Hawaii Center for Cognitive Behavior Therapy**
