*"A candle loses nothing by lighting another candle"*

## ***Congratulations***

### **Falcons On Fire results**

1st place: Brandon x2 (Brandon Stone and Brandon Jim)

2nd place: Sabrina Foley

3rd: Hawaii Loves Ukulele (Kapono Wong, Toby Arakaki, Bronson Pacheco)

Congratulations to all of the participants and our winners!

### 2017-2018 Student Government Officers

Congratulations to the following elected officers for next school year!

#### Class of 2020

President: Sayaka Brown

VP: Sho Matsumoto

Corresponding Secretary: Noela Tuquero

Treasurer: Remi Tsunoda

Recording Secretary: Bailey Miyashiro

#### Class of 2019

President: Taylor Kang

VP: Ridge Ono

Corresponding Secretary: Ashley Taylor

Treasurer: Tianna Au

Recording Secretary: Zoe Matayoshi

#### Class of 2018

President: Cameron Woods

VP: Ryan Leon Bracamontes

Corresponding Secretary: Rosalyn Kagimoto

Treasurer: Cody Uehara

Recording Secretary: Margaret Nakayama

#### Kalani Association of Students

President: Ryder Tanaka

VP: Ann Tsuyuki

Secretary: Melanie Yang

Treasurer: Momo Tsuyuki

Historian: Reina Dryer & Tyler Martinez

SCC Rep: Schuyler Otani

HSSC Rep: Tesia Kim

*Go Falcons!*  
*Science Fair Qualifiers for ISEF*  
*Mika Ishii      Emily Yang*

Both students will represent the Honolulu District and the State of Hawaii at the International Science and Engineering Fair in California

*Honolulu District Science Fair Winners*

**Best of Category / Senior Research – results forthcoming**

**9 Projects qualified for State Science Fair**

*Congratulations to*

Emily Yang	Effects of Amino Acid on Preimplantation Embryo Development
Brandon Stone	Gaze to Speech Application for Motor Impaired Students
Priscilla Hsu / Tryphena Hsu	An Energy Analysis of the Invasive Algae Species “Arvrainvillea Amadelpha”
Brandon Jim	Testing Cement Strength with Various Aggregates
Mika Ishii	Phytodesalination of Saline Soil Using Native Hawaiian Halophytes
David Higashi	Comparison of Optical Spectrum of Lunar Mare and Highland
Jordaynelexi Drasal	Technological Advancements of the Artificial Intelligence in Robotic Fish
Celine Nakamura	Creating an App to Reduce Time Students Spend Searching for College Information
Spencer Young	Improving Student Work through a Javascript Based Online Collaboration Platform

**Shop for Higher Education**

Thank you for shopping at Foodland. Results forthcoming

**Construction on Campus**

On January 30<sup>th</sup>, NAN Inc, General contractors, began the construction of the long awaited Girls Varsity Locker Room along with a new Judo and Wrestling Room. This new facility, a Title IX Project will be constructed between the gym and track. It will be the first new building on campus since the pool was built in 1975. The girls have been without a Varsity Locker Room since the school was built in 1958.

There is a Boys Varsity Locker Room.

Unfortunately, as with all construction projects, traffic has been re-routed on campus. Maps and other general information was sent out **last week**. We are grateful for all of your help in making a successful transition to the new route through our school. We had a minimum of problems before and after school. Your diligence and patience helps to provide for the safety of all members of our community of learners. We know that this new facility will enhance the overall education and experience for your child. Thank you.

*Mañalo to Representative Mark Hashem for his support of this project.*

*Mitchell Otani - Principal*

**Installation of PV System at Kalani**

**Kalani will also be starting a project that will install a PV system on the rooftops of Buildings E, the Office and the cafeteria.**

**This project will lower the amount of electricity that the school uses during peak hours – thus, reduces our electricity bill.**

**STUDENT SECTION**

**STUDENT GOVERNMENT**

Events

April 28- School-wide BBQ

**Class Activities**

**Seniors – Graduation information**

Cap and Gown orders You may place an order online at [www.jostens.com](http://www.jostens.com) or by mail, see Class of 2017 webpage for more details.

**Graduation** : Important dates:

April 3 (during advisory)- Cap & Gown Distribution

April 26 (6:00pm, cafeteria)- mandatory Student/Parent meeting

## Juniors

Attention Class of 2018 parents! Please email [kalanipg2018@gmail.com](mailto:kalanipg2018@gmail.com) to receive information and news about Project Grad 2018.

Include the following in your email:

- Student's first and last name
- Student's email
- Father's first and last name
- Father's email
- Mother's first and last name
- Mother's email
- Contact # (optional)

## UH CCBT and the Evidence-Based Services Committee, Parent Friendly Resource: Help Your Keiki Website

The CCBT wants to share a free parent friendly resource with parents who want to learn more about the emotional or behavioral difficulties that their child may be experiencing but do not know where to start. Help Your Keiki ([www.helpyourkeiki.com](http://www.helpyourkeiki.com)) was developed and is maintained by the Evidence Based Services (EBS) Committee—in collaboration with the DOH, DOE, parent partners, and faculty from the University of Hawaii's Psychology Department. We understand that families need to be the driving force to get treatment and support for their children, and that the more a parent knows about available treatments, the better they can partner with a mental health provider to find the right evidence-based intervention. This website is dedicated to parents or caregivers who don't know where to start when their child is experiencing emotional or behavioral difficulties. Two of the many helpful links that can be found on the website are "Choosing the Right Treatment" and "Questions to Ask Your Child's Therapist." Since Help Your Keiki first came online a few years ago, it has provided useful information not only to families, but to teachers, social workers, counselors and other helping professionals.

## CLUB News :

Stay tuned for future activities

A+ Program Aide's needed at Manoa Elementary. Assist group leader in overseeing students after school till 5:30. Mon-Friday. \$32.50/day. Responsible applicants only. See Mrs Arashiro in C 12 for more information.

## **Awards / Student Recognition**

*Congratulations*

**National Merit Finalists**

Congratulations to Kacie Kajihara and Emily Yang

**National Merit Semi-Finalist**

Congratulations to **Kacie Kajihara** and **Emily Yang**

Kacie and Emily are amongst the 16,000 Semifinalists (two of the 66 in the State of Hawaii) in the 62<sup>nd</sup> annual National Merit Scholarship Program. These two academically talented high school seniors have the opportunity to continue in the competition for some 7,400 National Merit Scholarships worth more than 32 million that will be offered in the spring.

The minimum qualifying score on last year's PSAT test to be a semi-finalist is 217.

Congratulations also to Christopher Lindsay (transfer from Iolani) who is also a National Merit Semi-Finalist.

**National Merit Commended Students**

The following students have been named Commended Students in the 2017 National Merit Scholarship Program. About 34,000 Commended Students throughout the nation are recognized for their exceptional academic promise. These Commended Students placed among the top 5% of more than 1.5 million students who entered the 2017 competition by taking the

Preliminary SAT / National Merit Scholarship Qualifying Test last year.

"The young men and women named Commended Students have demonstrated outstanding potential for academic success. They represent a valuable national resource; recognizing their accomplishments, as well as the key role Kalani High School plays in their academic development, is vital to the advancement of educational excellence in our nation. –National Merit Scholarship Corporation

**Kobi Gima Kainalu Hagiwara Leslie Horita Matthew Oh Moriah Tom**

**Congratulations : Kacie Kajihara and Emily Yang**

**Candidates for Presidential Scholar (only 2 honorees per state)**

The United States **Presidential Scholars** Program is a program of the Department of Education that recognizes the academic achievements of distinguished US citizens graduating high school. It is described as "one of the Nation's highest honors for high school students" in the United States of America. The U.S. Presidential Scholars Program was established in 1964, by executive order of the President, to recognize and honor some of our nation's most distinguished graduating high school seniors. Each year, up to 161 students (2 from each state) are named as Presidential Scholars, one of the nation's highest honors for high school students.

**Class of 2017**

Kacie Kajihara

Emily Yang

**ACT : Perfect Score 36** SAT : 2310 740/770/800

ACT : 35

**Ocean Science Bowl**

On Saturday, February 4th, 2017 high school students from all over the state competed in the Hawai'i Regional competition for the **National Ocean Sciences Bowl** (also known as the Aloha Bowl).

**Congratulations to Kalani's winning team of****Zoe Asahan, David Higashi, Daniel Huang, Mika Ishii and Rovi Porter**

They will represent Hawai'i in the National Ocean Sciences Bowl held at Oregon State University (Corvallis) in April.

**2017 Hawaii State DECA Competition**

David Higashi : Medallion Winner for Marketing Communications

Niquerose Cacho and Sun Young Kim : Medallion Winners and Finalists for Financial Services

Ryan Leon Bracamontes and Melissa Yago : Medallion Winners and Finalists for Travel and Tourism Marketing

Niquerose Cacho : Second Highest Score for the Financial Services Exam

Niquerose Cacho and Sun Young Kim : Third place Trophy Winners for Financial Services

**HOSA State Leadership Conference**

**Team Events:** Two Teams scored high enough to place second and third in their events, which qualifies them to compete at the International Leadership Conference (ILC) in Orlando Florida in June. .

2<sup>nd</sup> Place : CERT Skills : Zoe Takeyama & Cheyne Nakamura3<sup>rd</sup> Place : Community Awareness : Tehani Hamano & Ofeira Petaia

**Individual Events:** Nursing Assisting and Medical Assisting both had two rounds, written exam and performance based assessment. Our students scored high in both rounds, which also qualified them for ILC in Florida.

2<sup>nd</sup> Place : Nursing Assisting : Briana Spencer2<sup>nd</sup> Place : Health Career Photography : Joohye Lee2<sup>nd</sup> Place : Medical Assisting : Eunice Park2<sup>nd</sup> Place : Medical Assisting : Ivy Huang2<sup>nd</sup> Place : Prepared Speaking : Quing Zeng**Congratulations to Bryan Silver and members of Team Magma**

Congratulations to Kalani's Robotics Team - Team Magma for winning the Engineering Inspiration Award at the Palmetto Regional in South Carolina. Winning this prestigious award qualifies the team for the World Competition in Houston in April. The Engineering Inspiration Award celebrates outstanding success in advancing respect and appreciation for engineering within a team's school or organization and community.

**Pacific Asian Affairs Council Global Leadership Program**

Twenty students were selected for the Pacific and Asian Affairs Council Leadership Program for 2016-2017.

This 9 month program aims to improve participants' leadership skills, including effective communication, appreciation for diversity, public speaking, goal setting, accountability, and conflict resolution. The goal is to develop global citizens who are informed about global issues, empowered to make a difference, and feel connected with others around the world. Program components address personal leadership, social identity development, intercultural sensitivity and global citizenship.

Kalani is proud to announce that nine of our students were selected

**Niquerose Cacho Lauren Horita Rosalyn Kagimoto Taylor Kang Kailer Okura****Ashley Taylor Jenna Tsuzaki Julia Tsuzaki Cameron Woods**

Agriscience Fair : 2<sup>nd</sup> Place Gold Medalist Kacie Kajihara Kalani FFA of Hawaii

**Eddie Aikau Essay Contest****Mika Ishii - First Place**

### **Maunakea Scholars Program**

Three ambitious Kalani High School students will conduct sophisticated astronomical research using some of the world's most powerful telescopes. The aspiring astronomers were awarded time to use two Maunakea observatories as a part of the Maunakea Scholars program-an innovative partnership between the Maunakea Observatories and the Hawaii State Department of Education (HIDOE).

Working alongside Institute for Astronomy graduate student mentors at the University of Hawaii, the students developed professional-style research proposals for the review and selection of the Maunakea Scholars time allocation committee.

The committee selected the three winning proposals:

*Spencer Young* was awarded two hours of observing time with the East Asian Observatory (EAO) using the James Clerk Maxwell Telescope (JCMT) POL-2 instruments for his research proposal, "Star forming regions and how they retain their shapes."

*David Higashi* was awarded one hour of observing time with Canada-France-Hawaii Telescope (CFHT) using the instrument ESPaDOnS for his research proposal, "The Creation of the Moon."

*Jordaynelexi Drasal* was awarded 30 minutes of observing time with CFHT using the instrument Megacam for her research proposal, "Globular Star Clusters."

### **Manoa Academy Pilot Program**

Director of Global Studies, Lesley Thorne of the University of Hawaii College of Social Sciences is pleased to announce that five students from Kalani High School have been admitted into the University of Hawaii at Manoa through the Manoa Academy pilot program.

The admitted students are: Jin Kim Ikumi Utashiro Kalena Kimura Chengxi Liang Becky Lei

The Mānoa Academy is an innovative program offered by the College of Social Sciences (CSS) at the University of Hawai'i at Mānoa (UHM) for select Hawai'i high school juniors and seniors. Eligible students have the opportunity to enroll in three-credits of undergraduate coursework during the Spring 2017 semester on the Mānoa campus and earn early acceptance into UHM for Fall 2017 (Fall 2018 for high school juniors). The college course will meet degree requirements necessary to graduate with a degree from UH Mānoa. Classes will be offered during the week - after school or online. Mānoa Academy students will not only have access to University resources, but will also have the opportunity to work with undergraduate student tutors and mentors specific to their enrolled class.

### **National Public Radio features Kalani Musicians** (from the Star Advertiser)

This will be the fifth time "From the Top" has come to Hawaii. In the past 12 years, NPR has produced seven shows on Oahu, Maui and Hawaii island. Sixteen-year-old Chance Yagi (senior) and his 18-year-old brother, Given (Class of 2016), both students at Kalani High School, performed at the Blaisdell. Both brothers play multiple instruments and various musical styles, including taiko, marching band and jazz, but will be playing ukulele for the NPR show with their award-winning group 4U Ukulele Quartet.

Members of the **Kalani High School Wind Ensemble** participated in the **Music For All National Concert Band Festival**.

**Congratulations also to Wind Ensemble members**

**Kassi Hatakenaka and Tiffany Nakayama**

Kassi and Tiffany practiced and participated with the Honor Band of America at the

**Music for All National Festival, presented by Yamaha**

## **Awards / Teacher Recognition**

**Bryan Silver : 7-12 Presidential Awardee for Excellence in Mathematics and Science Teaching**

## Partnerships

### Japan Super Science Fair

Kalani High School was well represented at this year's Japan Super Science Fair in Kyoto, Japan.

Leslie Horita, Kacie Kajihara, Moriah Tom, Chance Yagi and Emily Yang (accompanied by Mr. Okawa) presented their research topic "Effect of Myostatin Inhibition on Rheumatoid Arthritis" and performed their Cultural Presentation last week at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan.

### Jeju Student Forum

Kalani High School was well represented at the Jeju Student Forum in Korea. Erin Terada, Shayn Toothman, Kaitlyn Yong and Austin Young (accompanied by Counselor Trevor Teraoka) represented Hawaii and the United States. The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on peace, environmental concerns, bullying, and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum served as a way for our students to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust.

Mahalo to the Department of Business and Economic Development for sponsoring this trip.

Congratulations Austin Young. He received a Certificate of Appointment from the Governor of Jeju.

Austin and one Jeju student were selected as Jeju Honorary Youth Ambassadors.

### Kalani High School to Participate in the College Board's AP Capstone™ Program

#### Diploma Program Focuses on Inquiry, Research, and Writing Skills Crucial for College and Career Success

Honolulu, Hawaii — Kalani High School is one of approximately 1,000 schools worldwide to implement AP Capstone™—an innovative diploma program that allows students to develop the skills that matter most for college success: research, collaboration, and communication. The program consists of two courses taken in sequence: AP® Seminar and AP Research. Developed in direct response to feedback from higher education faculty and college admission officers, AP Capstone complements the in-depth, subject-specific study of other Advanced Placement® courses and exams.

Students who earn scores of 3 or higher on AP Seminar and AP Research assessments and on four additional AP Exams of their choosing will earn the AP Capstone Diploma™. This signifies their outstanding academic achievement and attainment of college-level academic and research skills. Students who earn scores of 3 or higher on both AP Seminar and AP Research assessments only (but not on four additional AP Exams) will earn the AP Seminar and Research Certificate™. Kalani High School will start AP Seminar in the fall of 2017.

*"This innovative program gets a broader, more diverse student population ready for college and beyond.. The program gives our teachers more leeway with curriculum choices so their students can access more challenging coursework and sharpen their reading and writing skills."*

- Mitchell Otani, Principal

The AP Seminar course, typically taken in 10th or 11th grade, equips students with the ability to look at real-world issues from multiple perspectives. Through a variety of materials—articles to research studies to foundational and philosophical texts—students tackle complex questions; understand and evaluate opposing viewpoints; interpret and synthesize information; and construct, communicate, and defend evidence-based arguments. Education, innovation, sustainability, and technology are examples of themes or topics covered in AP Seminar. However, teachers have the flexibility to choose subject content based on student interests, whether local, regional, national, or global. By tapping into students' personal interests, AP Capstone gives students from a wide range of backgrounds an entry point into stimulating coursework more than ever before. Students are assessed through: a team project and presentation, an individual project and presentation, and an end-of-course written exam.

In the subsequent AP Research course, students design, plan, and conduct a yearlong research-based investigation on a topic of individual interest, documenting their process with a portfolio. Students build on skills developed in the AP Seminar course by learning how to understand research methodology; employ ethical research practices; and collect, analyze, and synthesize information to build, present, and defend an argument.

### Kalani High School announces Partnership with the University of Hawaii Center for Cognitive Behavior Therapy

Kalani High School is excited to announce our new partnership with the University of Hawaii Center for Cognitive Behavior Therapy. We would like to welcome our newest partner to our Community of Learners.

## Alumni information
