 - Discussion/Questions
 - Does this cover, has there been a surplus?
 - Some years we're a little short, but if we have a surplus it goes to the Athletic Banquet. We do not generally generate a surplus.
 - Fee is collected after the team is set.
 - (SR) Wouldn't mind paying for each sport.
 - When we have three children in a three sport family they end up paying \$500+, that's why we only collect one time.
 - Sports, any information?
 - We will cover this in new business.
