FEDERAL IMPACT AID PROGRAM
Survey Form
Survey Date: September 3, 2025

Dear Parent or Guardian:

We kindly ask that you take immediate action to fully complete and sign the enclosed Impact Aid Program Survey Form with your information as of September 3, 2025, and have your child return it to school the next school day or as soon as possible.

Every child in Hawai'i benefits from federal Impact Aid funds. In the 2023-24 school year, the average cost to educate a public school student in Hawai'i was approximately \$22,671. However, the average reimbursement received for a federally connected student was \$2,521 or 11.08 percent of the total cost. Hawai'i taxpayers funded the remaining balance.

Hawai'i's Impact Aid funding is determined by the number of eligible parents/guardians who complete and return the survey form. In the 2023-24 school year, Hawai'i public schools benefited from more than \$53.34 million in federal Impact Aid, thanks to more than 21,200 families who filled out their survey form. We need your continued support to secure this important funding!

All parents should complete and return the form, not just military parents. In Hawai'i, Impact Aid helps offset costs for school materials and resources, substitute teachers, student transportation, school utilities such as electricity, and other services at schools statewide. All students and all schools benefit from Impact Aid.

Unreturned forms could result in forfeited education dollars for Hawai'i students. If you have any questions on how to fill out the form, please contact your child's school or call (808) 564-6040 and ask for the Federal Survey Section. All information provided on the survey will be confidential and hard copies will be destroyed in accordance with federal guidelines. For more information on Impact Aid, please visit <https://www.ed.gov/about/ed-offices/oese/impact-aid-program/impact-aid-program-overview/>.

Thank you for supporting Hawai'i's keiki and educators.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith T. Hayashi".
