Happy Holidays

Holiday Reminders

As the holiday season approaches, it often brings with it high expectations for joy and celebration. While this is a wonderful time, we want to remind our families to remain vigilant and attentive to your child's well-being. In the past, we have observed that this period can sometimes be challenging for students. Please be aware of potential signs that your child may be struggling, which include:

- Significant changes in mood or behavior (increased irritability, withdrawal, or noticeable sadness).
- Signs of anxiety or depression.
- Discussions or signs of self-harm.
- A sudden and sustained drop in academic performance or grades.
- Changes in sleeping or eating habits.

Please engage in conversation with your child. Inquire about school, their day, what's going on this weekend, etc. We also encourage you to be aware of your child's friends and their well-being, as students often support and influence one another. If you notice a change in your child’s mood or behavior—no matter how subtle—please do not hesitate to reach out to the school counselors. We are here to offer confidential support, guidance, and resources for your child and your family. Your vigilance is our greatest asset in supporting our students. Let's work together to make this a safe and healthy season for everyone.

2026 Hawai'i High School Mock Trial Competition.

Similar to last year, this year's competition will be conducted in-person. Competing in person allows students to build confidence, sharpen public speaking and critical thinking skills, and collaborate more effectively with teammates and legal mentors, all within the same environment in which attorneys practice daily. The courtroom setting also fosters deeper engagement, professionalism, and memorable learning experiences.

The competition will be held on Saturday(s), February 7, February 21, February 28, and March 7, 2026.

This year's competition will involve a civil case. See Mr. Bard

The third-seeded Pacific Lutheran University volleyball team won the Northwest Conference Tournament title for the second time in three years on Saturday night, dethroning top-seed and host Whitworth University 3-1 (17-25, 25-23, 25-21, 25-18) to earn the conference's automatic bid to the 2025 NCAA Division III Tournament. The Lutes (16-9) dropped the opening set but won the next three, returning to the NCAA Championships for the 14th time in program history and first time since 2023. "Incredible performance by our young women," said Head Coach Kevin Aoki. "To come in as the third seed and beat both co-champions in two days, plus Whitworth on its home court says something about our team." The first set was tied at 10 before the NWC regular season champion Pirates (21-7) scored eight of the next 11. Whitworth would continue to put its foot on the gas, scoring the final four points for a 25-17 set victory. The host Pirates headed into the second set having won seven of the eight sets played this season between the two teams after sweeping the Lutes 3-0 back on Oct. 10 and winning 3-1 last Saturday. A spark midway through the second set made sure the same thing wouldn't happen for the third time. A Je T'aime Paio kill tied the set at 6-6 and kicked off a 5-0 Lute run, getting a kill from Julissa Pernsteiner and a pair of aces from **Ayre Takamoto (Northwest Conference 2nd Team Honors)**. Whitworth battled back, tying the set at 17 and later pushing ahead 21-19, but another Paio kill sparked a run of four straight Lute points, including a kill and a block from Pernsteiner. PLU led the rest of the set with a Whitworth error giving the Lutes the 25-23 set win. Pacific Lutheran surged to an early 4-1 lead in the third, but it wouldn't be that easy. Four straight points tilted the scales 10-9 in favor of the Pirates later in the set. Kills from Shaela Allen-Greggs and Bailey Johnson swung the lead back to the Lutes who never looked back, getting a clinching kill from Alexis Eggert to hand the underdog Lutes a 25-21 victory. Whitworth scored the first three points and held an 11-7 lead in the fourth set before PLU rattled off seven straight points to surge into the lead. A Pernsteiner kill started the rally before getting an ace from Paio and a pair of kills from Clare Freberg. The score would be tied at 16 and again at 17 before PLU scored eight of the final nine points, including the last five to seize a 25-18 set win to capture the third annual NWC Tournament. Paio was instrumental in that final run, scoring the final three points of the match with a trio of kills. Paio led the team with a career-high 14 kills while also adding 11 digs while Allen-Greggs had 13 kills, boasting a .314 attack percentage. Pernsteiner was the third Lute with double digit kills, netting 11 on the night along with four blocks. **Ayre Takamoto had 31 of the team's 35 assists and added 17 digs** while Macy Matsushima led the defensive efforts with 19 digs. Next up: NCAA Tourney It will be Pacific Lutheran's 14th NCAA Tournament appearance and first since the 2023 season. All 14 appearances have come under the tenure of Head Coach Kevin Aoki who has guided the squad to 12 NWC regular season titles, two NWC Tournament titles, and has PLU as the only program to make it to the NWC Tournament finals every year of its existence.

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillance and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
