Vision: Character. Compassion. Community.

**Mission : We at Kalani High School create opportunities to discover our passions, purpose, and personal pursuits.
A vision is not just a picture of what could be; it is an appeal to our better selves, a call to become something more.**

Kalani LifeSmarts Team
State Runner-up

The LifeSmarts competition tests students on their knowledge of personal finance, health and safety, the environment, technology, as well as consumer rights and responsibilities. Following the preliminary online portion of the competition, top scoring teams from Kalani, 'Iolani and Waipahu High Schools were invited to in-person competition, where they tested their skills through a “speed smarts” activity and game show-style buzzer rounds.

The team had a strong run resulting in a 2nd place finish.

Individual award - Michele Kabasawa : 2nd place in overall combined online test scores.

Through the LifeSmarts program, students gain critical life skills that prepare them for adulthood.

Sponsored by the Hawai'i Department of Commerce and Consumer Affairs (DCCA) Business Registration Division and Insurance Division, and Hawai'i Credit Union League (HCUL)

Representing Kalani High School : Brandalyn Tran Nicole Du Michelle Kabasawa Zachary Li Cristian Matache

Congratulations

Kalani High School Urban Plan Team
Urban Land Institute's Urban Plan Hawaii State Championship
3rd Place

This year's competition included participants from Punahou, Iolani, and Kalani High School. The students were tasked with creating a new development in the fictional city of Yorktown that would simulate the real-world decision making that goes into urban planning and development. Every plan must balance the economic, political, and social goals/ thresholds set by the city. Once the plan was created, students had to deliver a twenty five minute presentation and Q&A to real developers, architects, and industry leaders from right here in Honolulu.

Representing Kalani High School : Stephanie Yeung Nadine Laposi Mirah Levine Bryce Hara Rin Dong.

Lottery for Geographic Exemptions for School Year 2026 – 2027

From January 1, 2026 to March 1, 2026, Kalani High School will accept Geographic Exception (GE) applications for next school year (SY 2026-27).

Lottery will take place on the first Friday in April

Please mail completed applications with a Self-Addressed Stamped Envelope to:

Kalani High School 4680 Kalanianaʻole Highway Honolulu, Hawaii 96821

Applications received after the March 1, 2026 deadline will be placed on a waiting list.

Congratulations

Our Digital Media 2 students will be presenting a powerful photography exhibit centered on Teen Mental Health at the Hilton Hawaiian Village for the 23rd Annual Hawaii International Summit (March 2–4). This is a huge honor, not only is this the summit's first-ever photo exhibit, but Kalani High is the only school invited to take part.

Please come check out their incredible work and show your support.

Congratulations

Aiden Nakamura, Kaydee Nakamitsu, and Serena Uchima-Pyun
Best Produced Video at the 2026 Japan Wizards Competition.

Their piece explores what makes the Sumidagawa Festival unique and exciting, how it reflects Japan's traditions and seasonal life, and how it brings people together. Great job Aiden, Kaydee, and Serena.

Friday Night Prime Time

Friday Night Lights (2004) was a movie about a town in Texas that lived for football games on Friday nights. The movie showed how team spirit, team pride, and being a part of a team were beneficial in so many ways, not only winning. Friday Night Prime Time offers that same type of impact:

- creates equal opportunity and access to afterschool programs (extracurricular activities, including sports);
- provide a venue for afterschool programming for our special needs students;
- expand opportunities for all students (those who cannot make it on a varsity team can elect to serve as a peer coach);
- impact quality of life for students with disabilities and those at-risk through continued physical activity development and participation; and promote school spirit and pride.

This year, over 15 Oahu schools will participate in this program. Basketball is used to foster and promote interaction within and between schools. There is research to support the notion that schools are able to provide equal opportunities for students with disabilities and who are at-risk using extracurricular athletic activities like Friday Night Prime Time.

This proactive approach demonstrates that Kalani and other participating schools are willing to provide equal opportunities for all students.

Friday, March 6 – 6:30pm @ McKinley

Friday, March 27 – 6:30pm vs. Roosevelt

Friday, April 10 - 6:30pm @ Kaiser

ASVAB

The ASVAB assessment (Armed Services Vocational Aptitude Battery) is a standardized test that measures developed abilities and helps predict future academic and occupational success in the military.

The ASVAB will be offered at Kalani High School on March 11th from 8:00am-12:00pm (students are responsible for making up any missed classwork). Testing is open to all 10th, 11th, and 12th grade students. If your student would like to participate in the ASVAB, please have them contact Test Coordinator Jaime Edwards at jaimedwards@k12.hi.us by

Monday, March 9, 2026.

Congratulations

Please congratulate Taylor Shimamura

Kalani recipient of the 2026 Mamoru and Aiko Takitani Foundation Scholarship

The Takitani Foundation Legacy Scholarship Program was started in 1993 by Mamoru and Aiko Takitani, founders of Hawaiian Host chocolates as a way to give back to the people of Hawai'i. Since that time, the Mamoru and Aiko Takitani Foundation (Takitani Foundation) has awarded scholarships each year to an outstanding student at every qualifying high school in the state. The Takitani Foundation Legacy Scholarship Program recognizes outstanding students who exemplify the qualities of hard work, high academic achievement, commitment to excellence, and dedication to our community.

Please congratulate Taylor Shimamura – Kalani High School 2026 Takitani Foundation Scholarship recipient

Department of Education requirements for athletic participation:

- Current Department of Education Athletic Physical
- Department of Education Consent and Assumption of Risk form per sport. (1 sport per form)
- Concussion Management Student Consent
- Need a physical? We encourage you to take your child to their regular doctor. Those who want a physical quicker please contact your nearby Urgent Care facility to inquire about walk-in physical appointments. (Fee may be charged). Don't forget to download and take the physical form with you.

Kalani High School requirements for athletic participation:

- Completion and submission of Athletic Registration (New to Kalani? Create a new account and remember your password. Returnees log in with their password. Sign up and try out for a team)
- Once selected to a team, student-athlete will pay the \$80.00 ASET Fee

Athletic Supply, Equipment & Transportation (ASET) \$80.00

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the \$80.00 ASET fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses and other transportation costs) is charged once per school year regardless of the number of teams your child gets selected for.

The **ASET Fee** is charged once per school year for the first sport a student plays.

- If your child played a fall sport this year, you won't need to make any additional payment.
- Payment is made **online through GoFans** once your child is selected for a team.
- We no longer accept in-person payments.
- A small transaction fee applies.

Annual Notice of Non-Discrimination and Anti-Harassment Statement

The Hawaii State Department of Education (Department) does not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. This requirement extends to all of the Department's programs and activities, including employment and admissions as applicable. If you have difficulty understanding English, you have the right to receive language assistance at no cost to you. Please contact your school's principal for more information. For the Department high schools that offer Career and Technical Education (CTE) Programs of Study in arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services, there are no admission criteria. Department high schools will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in CTE programs and will provide equal access to designated youth groups. The Department does not tolerate acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Any student who believes that he or she has been subjected to harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion is encouraged to report such harassment. Students and parents may report allegations of discrimination or harassment to the school's administrator or to the Department's Civil Rights Compliance Branch at the address listed below. The Department is committed to conducting prompt investigations. Support, including counseling and educational resources, will be available to students who are harassed as well as to students found to have engaged in acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Students found to have engaged in harassment may be disciplined up to and including suspension if circumstances warrant. Students, parents, and Department staff should work together to prevent harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. The Department will not tolerate retaliation for reporting discrimination and/or harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion, and will take steps to protect those who wish to report the discrimination or harassment. Please direct inquiries regarding Department nondiscrimination policies to:

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillance and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.

Congratulations

Kalani High School Named to Advanced Placement (AP) Honor Roll

College Board announced that Kalani High School has been named to the 2025 Advanced Placement (AP) Program School Honor Roll, earning Silver distinction. The AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening participation. Schools can earn this distinction annually based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing college readiness. Kalani High School is the only school in the State to receive a Silver Distinction – no Hawaii school received a Gold Distinction.

Kalani High School had 57% of seniors who took at least one AP Exam during high school, 48% of seniors scoring a 3 or higher on at least one AP Exam and 14% of seniors who took 5 or more AP Exams.
