PARKING GUIDELINES : To ensure safety, and security for our faculty, staff and students, all student vehicles are required to have a parking permit. Student vehicles parked on campus without a parking permit will result in the following actions: parent/student meeting, student's vehicle will not be allowed on campus.

Student Parking is around the track (lower campus)
Students are NOT allowed to park in the teachers' parking lot.
Student Parking is on a First Come/First Serve basis.
Once the spaces allocated for student parking are filled, students will need to park on the street.

Mahalo (Traffic) – Parents and Students

Just because you see them doesn't mean that they see you.
Be careful when crossing any street on or outside campus. Oftentimes, parents are looking at their phone or waving to their child and they might not be looking at where they are driving.
HPD will be monitoring the streets around Kalani High School to promote safety

Dear Parents and Guardians,
As a parent/guardian of a Hawaii Department of Education student, you have the right to know the professional qualifications of the classroom teacher(s) who instruct your child. Federal Law allows you to ask for certain information about your child's classroom teacher(s) and requires us to give you this information in a timely manner upon request. You have the right to ask for the following information about each of your child's classroom teacher(s).

1. Whether the teacher has met licensing criteria and has earned the designation of Highly Qualified for the grade levels and subject areas in which he/she teaches. Core academic subjects include :
    a. English-Language Arts
    b. Mathematics
    c. Science
    d. Foreign Languages
    e. Civics and Government
    f. Economics
    g. History
    h. Geography
    i. Art
2. Whether the teacher is under emergency of other provisional status through which State qualifications or licensing criteria have been waived.
3. The teacher's college major, whether the teacher has any advanced degrees and if so, the subject of the degrees and
4. Whether any teacher's aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please contact our school office.

Campus Safety
The Hawaii Department of Education Safety, Security and Emergency Preparedness Branch is responsible for the security of Department campuses. Our schools and state offices are secured as best as possible to prevent theft, vandalism, trespassing and acts of violence. Annual training is provided for all security personnel with continued research into security best practices and the latest technology.
School and student safety is a responsibility for all involved — administrators, staff, teachers, students, families, law enforcement and the broader community. Safety and security are necessary in order for learning to take place.

Closed Campus
Kalani is a closed campus. The Hawaii Kai entrance to our campus is locked from 8:30am – 1:30pm. Security is posted at the Ewa entrance and the back parking lot and we will monitor all cars entering campus. Uber Eats and other food delivery companies will be stopped and turned away (School Food Services Guidelines).

Chapter 19
In order to keep our schools safe, rules have been established relating to student misconduct; these rules also govern searches of students and seizures of property. Hawaii Administrative Rules, Chapter 19, are derived from state law. It's important that students and parents review this information to be aware of the consequences of a Chapter 19 violation

Kalani High Surveillance Cameras
Kalani High School installed surveillance cameras on the outside of buildings throughout our campus in 2017. The surveillance cameras are used to provide for the safety of our staff and students and to maintain the security of our buildings and personal property. The intent of the use of the video surveillance cameras is to provide a safe environment for our student by deterring outsiders from entering out campus for inappropriate reasons and to monitor our campus for vandalism and student misconduct. Our cameras are placed in public places, areas where there is no expectation of privacy – school entrances, hallways, exterior of buildings and other open areas on campus. The cameras are NOT placed in areas where students, staff or visitors may have a reasonable expectation of privacy – classrooms, offices, teacher workrooms, restrooms, locker rooms or other designated dressing rooms. The surveillance cameras are just one of the ways that we use to create a safe and secure learning environment at Kalani High School. If you have any questions and/or concerns regarding our surveillance cameras, please call any of the administrative staff at 305-0500.

Welcome

Please welcome Jordan Valle – our new Hawaii Keiki Nurse for the Kalani Complex. She is visiting our Kalani Complex Schools and getting acclimated to the many different forms and protocols. She will be starting soon.

Clubs

National Honor Society (NHS)

The Kalani High School chapter of the National Honor Society encourages scholarship, leadership, service, and character. Members engage in service projects both on campus and in the broader community. Membership is by invitation and is open to sophomores, juniors, and seniors who demonstrate academic excellence. For more information, please see Dr. Ida in Room E-15.

Computer Science/Technology and Service Club

The Technology and Service Club promotes interest in computing and provides opportunities to serve the community through technology. All students are welcome—no prior experience is necessary. For more information, please see Dr. Ida in Room E-15.

Oahu Math League (OML)

Kalani's Oahu Math League team fosters mathematical interest and problem-solving skills through fun and spirited competitions with public and private schools across the state. All students are welcome to join. For more information, please see Dr. Ida in Room E-15.

Environmental Club

The Environmental Club is a space where everyone is welcome. We primarily focus on repurposing food waste, growing crops in our hydroponics systems and greenhouse, and cultivating powerful compost. Through these activities, we aim to conserve our resources and help our school and the surrounding community become more eco-friendly. See Mr. Sumida.

PAAC

The Pacific and Asian Affairs Council (PAAC) Club educates students about global issues and aims to address them locally through student-led projects and statewide events. We aim to prepare students to be global leaders and increase their knowledge and understanding of the developing world. We hope to build bridges and inspire students to be better global citizens and practice citizen diplomacy. See Mr. Sumida

Laulea Club

Laulea Club is an inclusive, school-based club that organizes activities and events to create connections between students. Students with varying abilities have the opportunity to participate together in social and recreational activities. Laulea provides opportunities to build student character, increase acceptance, and develop leadership and other skills in an inclusive setting. Please see Ms. Yagi in A20 for more information.

Hawaii Aspiring Aerospace Engineers Academy

Under the guidance of Dr. Dilmurat Azimov from the University of Hawai‘i at Mānoa’s Department of Mechanical Engineering, Hawai‘i’s Aspiring Aerospace Engineers Academy (HAAEA) offers engaging STEM experiences for Hawai‘i’s high school students. Through hands-on projects, research, and connections with NASA experts, students explore space exploration missions, lunar and Mars technologies, and AI-assisted systems for real-time space communication. The program promotes curiosity, skill-building, and inspiration for the next generation of aerospace innovators. See Ms. Chloe Sato - Science Teacher

HOSA

Are you interested in pursuing a career in healthcare and making a difference in your community? Consider joining the Kalani HOSA club! Membership is offered to freshmen who successfully pass the interview process. Interviews will be held after school on Thursday, August 20 and Thursday, August 27. If you would like to become a member, please use your personal email address to schedule your interview here: Interview Booking Calendar

Interview slots are limited, so we encourage you to reserve your spot as soon as possible. To learn more about HOSA, you can visit the national website at hosa.org. You can also explore our past events and activities on the Kalani HOSA Instagram (@kalani_hosa_chapter). If you have any questions, please don't hesitate to contact me at cathytran619@gmail.com. Thank you! Best regards, Cathy Tran Kalani HOSA President

Spanish Club

Kalani's Spanish Club provides students with opportunities to explore Hispanic culture and the Spanish language in a fun, engaging environment while building community based on this shared interest. Activities offered include film screenings, Spanish- language games, exploration of music and food, as well as outings and opportunities in the community.

LEO Club – connected with Lions Club

The Kalani LEO Club promotes service to both Kalani High School and the surrounding community while helping students develop leadership skills through meaningful service experiences and opportunities. The club also fosters friendship, fellowship, and mutual understanding among its members. See Ms. Kaneko and/or Mr. Lee

ATHLETICS

ASET FEE $80.00

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the $80.00 Athletic Supply Equipment & Transportation (ASET) fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses and other transportation costs) is charged once per school year regardless of the number of teams your child gets selected for. A $3.00 convenience fee is applied to online payments.

The ASET Fee was approved by the Kalani School Community Council

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillance and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.

Annual Notice of Non-Discrimination and Anti-Harassment Statement

The Hawaii State Department of Education (Department) does not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. This requirement extends to all of the Department's programs and activities, including employment and admissions as applicable. If you have difficulty understanding English, you have the right to receive language assistance at no cost to you. Please contact your school's principal for more information. For the Department high schools that offer Career and Technical Education (CTE) Programs of Study in arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services, there are no admission criteria. Department high schools will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in CTE programs and will provide equal access to designated youth groups. The Department does not tolerate acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Any student who believes that he or she has been subjected to harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion is encouraged to report such harassment. Students and parents may report allegations of discrimination or harassment to the school's administrator or to the Department's Civil Rights Compliance Branch at the address listed below. The Department is committed to conducting prompt investigations. Support, including counseling and educational resources, will be available to students who are harassed as well as to students found to have engaged in acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Students found to have engaged in harassment may be disciplined up to and including suspension if circumstances warrant. Students, parents, and Department staff should work together to prevent harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. The Department will not tolerate retaliation for reporting discrimination and/or harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion, and will take steps to protect those who wish to report the discrimination or harassment. Please direct inquiries regarding Department nondiscrimination policies to:
