PRESCHOOL FUN FACTS

Prices listed are tentative, subject to change.

What if I can't pay for Preschool?

We do offer tuition assistance! Thanks to our **4 Star Parent Aware Approved Program**, we are able to work with each family to determine what assistance they may qualify for. Assistance is based on family's income, student needs and other eligibility requirements. Families that request tuition assistance (on the enrollment forms) will be notified in July. At this time, additional paperwork may be needed to help determine qualification for assistance.

Can I use my CCAP to pay for Preschool?

CCAP (Child care assistance program) **cannot** be used for Preschool or Wrap Around Care.

Does my child need to be toilet trained?

Students must be self-toileting before he/she starts attending preschool.

When is tuition due?

Tuition billing starts in August. More info about this and setting up payments will be shared with families in July.

Can my child ride a bus to school?

Once your child turns 4, busing is available for School Readiness Preschool Students. Busing is available in the morning (before 8:00) and in the afternoon (after 3:00). We do not offer mid-day transportation.

Is lunch included with Preschool?

Lunch is an option for School Readiness Preschool students attending full days (preschool and Wrap Around Care). Lunch is not included with your monthly tuition. You may pay to have your child eat the school lunch, send a bagged lunch with your child, or complete the free/reduced form in the fall to qualify for reduced/free meals.

What if I have a question about immunizations?

Your child must have an up to date shot record on file in the school health services office in order to start school. If you do not want your child to be immunized, you will have to fill out a conscientious exemption form. If you have questions about immunizations, please contact Kim Lubrant, school nurse, at (320)982-7338.

What is Wrap Around Care?

Milaca Wrap Around Care is a childcare program that supports the Milaca School Readiness program. It provides an all-day option for families who participate in Milaca's School Readiness half-day programs. Wrap Around Care strives to provide a quality preschool care program that aims to compliment both home and school experiences. It provides a secure setting that enhances the learning in social, emotional, cognitive, and physical areas that are being taught in the School Readiness Program. This program makes it easier and convenient for parents, so they do not have to worry about dropping off or picking up their kids during the workday. Wrap Around Care follows a schedule of choice time, outside/gym time, lunch, and quiet time. Extended hours are included with the cost from 6:30-8:00 AM and 3:00-6:00.

Need to schedule an Early Childhood Screening?

Early Childhood Screening is a quick and simple check of how your child is growing and developing between the ages of three and four years. Early Childhood Screening is required by the State of Minnesota for every child entering Preschool or Kindergarten.

Upcoming Screening dates:

March 27, April 24, June 3, June 4, August 12, August 13
