

MUSTANG CLUB

MANITOU SPRINGS HIGH SCHOOL ATHLETICS

WHAT WE DO:

The Mustang Club is a donation program that focuses on supporting our Mission, Vision, and Goals. Through the generous donations from our sponsors we are able to enhance the Athletic experience for our Student Athletes.

MISSION

Manitou Springs School District 14 (MSSD14) Athletic and Activities program's mission is to develop and advance the body, mind, and character of our athletes and participants.

VISION

MSSD14 believes that a strong Athletic and Activity program is vital to a well-rounded educational experience for our students. MSSD14 will provide students with a variety of opportunities led by coaches and sponsors guided by transformation coaching practices. Athletics and Activities serve as an essential part of our school's whole-child curriculum. Athletics and Activities give students the opportunity to find purpose, work as a team towards a common goal, represent our school and community, develop impactful relationships, learn, and model sportsmanship, build grit and resilience, develop high character habits, learn and grow through adversity and develop socially, mentally and physically through participation.
